

Amendments to the Juemployment Insurance Act

Notice to Interested Employers and Employees

ITS 1943 Session, the Parliament of Canada amended the Unemployment Insurance Act, 1940. The effect of these amendments is to require that additional workers be covered under unemployment insurance.

On and after September 1st, 1943, employers must make contributions in respect of the following employees:

- ALL PERSONS engaged in employment hitherto insurable, regardless of the amount of earnings, who may be paid on an hourly rate, on a daily rate, on a weekly rate, or a piece rate (including a mileage rate).
- * (2) ALL EMPLOYEES paid on a monthly or annual salary basis, whose salary, including any cost of living bonus which may be received, does not exceed \$2,400 a year.

All employees, as above described, must pay their contributions as required by law.

The combined contribution for each employee earning \$26 or more a week will be in Class 7-63c a week.

To Employers: Obtain unemployment insurance books from the nearest local office of the Unemployment Insurance Commission as soon as possible, for employees above described who will become insurable on September 1st, 1943.

To Employees: It is in your interest to see that your employer makes contributions on your behalf from September 1st, 1943, if you become insurable through this Amendment.
