#### CLIP THESE COAL TIPS

Use Less Hot Water

Wash rishes in a small pan instead of washing them under the running hot water tap. By using hot water with moderation you will save coal. Repair leaky taps immediately.

Fund. Mrs. Garbutt donated the raffle this won by Mrs. Strand. The after noon was spent doing Red Cross knitting. Mrs. Garbutt (RCAF) one of the first members of the present club, has been posted to the prairies. She and Marlene will be very much missed. Tea was served by Mrs. Young and Mrs. Strand.

I know that no one will believe when I say I had supper on Wednesday in a room filled with women and girls, nigh onto a hundred of them. And in Prince Rupert, too. Mrs. Chappell who works at the Acropolis invited me to the civilian wom en's barracks and I found visit most interesting. # We both like Apple Pie and Cheese!

• We of Canada and the United States are the world's outstanding example of "good neighbours".

We are unique in our understanding of one another, in our mutual confidence, in our fellowship.

And the things which make us good neighbours are as basic as our common liking for apple pie and cheese.

We speak the same language.

We enjoy the same jokes.

We sing the same songs.

We play the same games. We work and worship to the same ends. One of us flying the Union Jack, the other the Stars and Stripes, we both nourish deep in our hearts the same concept of freedom, the same human ideals. And we share an indomitable determination that no one shall ever take them from us.

Today our soldiers fight side by side in all parts of the world. And our citizens work shoulder to shoulder to supply them and support them in their grim task. We of The House of Seagram are proud that our great plants in Canada and the United States are manned by thousands of Canadians and thousands of Americans working together . . . engaged 100% in the production of high-proof Alcohol for War.
