CHRIST IS

Evangelist Discusses Second Coming at Meeting Sunday Night.

Answering the question as to what would be the sign of His Coming and the end of the world, Christ told his disciples that there would be signs in the sun and in the moon, and in the stars, and upon the earth distress of nations with perplexity-men's hearts failing them for fear and for looking after those things which are coming on the earth." Three of these have taken place and the world s now seeing the "distress of nations with perplexity" according to Evangelist Balmer in his lecture at the I.O.O.F. Hall Sunday night.

The evangelist gave specific dates as to when that portion of the prophecy concerning the heavenly bodies was fulfilled.

The famous dark day of history occurred on May 19, 1780, when a remarkable darkness occurred over a large portion of the New World Interpreters of Biblical prophecy are generally agreed that this dark day was in fulfilment of that portion of Christ's prophecy that such an event would take place before His return, asserted the Evangelist. The moon refused to give out its light on the night following this dark day in spite of the fact that it had become full on the previous night. The particular sign in the stars, as mentioned by the Saviour, oc-

curred on November 13, 1833 when the most wonderful exhibition of shooting stars in the history of the world occurred. These phenomena could not be explained or accounted for by astronomers or historians, said the speaker but God in creating the sun, moon and stars said that they would be for signs as well as to give .light. When these things begin to come to pass, said Jesus, "Then look up. nigh." Continuing, the speaker not know the day or the hour the Thessalonians they may know the time and even the urged upon the large and attentive audience to give serious consideration to this great pro-

A special feature preceding the meeting was the showing of slides depicting the events of creation week to the boys and
