Can't you see plain enough there's a trap laid for you at the waterfront? They are paying a man \$50.00 a week and a big commission to keep you from coming up town.

Come up town and I'll advance you the money to send your furs to Little Bros., Vancouver. I'll always pay more than you can get at the waterfront. I'm in the market for everything.

"Star Spangled Rhythm" at Capitol

More than forty top ranking stars appear in the picture "Star Spangled Rhythm," which is coming to the screen of the Capitol Theatre for an extra-day run this Thursday, Friday and Saturday. The picture boasts among its players Bing Crosby, Bob Hope, Fred MacMurray, Franchot Tone, Ray Milland, Victor Moore, Dorothy Lamour, Paulette Goddard, Vera Zorina, Mary Martin, Dick Powell, Betty Hutton, Eddie Bracken, Veronica Lake, Alan Ladd and Rochester with many others.

The story concerns the efforts of a studio gateman and telephone operator to build themselves up to the gateman's son by deceiving him into believing that the old i man is head of the studio and the operator his secretary. The deception in a cinch by correspondence but it is not so easy when the young man and a group of sailor shore leave. The girl conceives a crack-brained idea of how to continue the deception for the duration of the boys' leave as well as to put on a show for them with a galaxy of stars participating. The idea backfires hilariously al-

though the show does go on. There are, incidentally, seven nit films in the film.

# WINNIPEG

Manitoba's blizzard of last week! left behind it a trail of trouble for the men who deliver goods to the homes of the province. Delivery men had to climb over large snow banks left by the plows in carrying out their jobs. The blizzard was one of the most severe in the history of the province, culminating a winter which has been one of the toughest in years.

Country points aided greatly in Manitoba's Red Cross drive which, according to latest figures, had reached a total of \$311,687.

There is every possibility of their being very few vegetables for the ordinary consumers next winter unless assistance is given the growers, according to H. Wasylyk, president of the Manitoba Vegetable and Potato Growers' Association. "Our association has conducted a survey and we find the some immediate action our planted acreage will be much less than required."
