## OUR TURN NOW

<del>\*\*\*\*</del>\*\*\*\*\*\*\*\*\*\*

A year ago we were wondering what HITLER was going to do. Today he is wondering what WE are going to do next. Yes, the tide is turning but the war is far from won. This is no time to let down, it is time to accelerate our efforts. Young physically fit men and women should be in the Army. Those who are not fit for active duty should, if possible, be in the Reserve — the Rangers — the A.R.P. — Red Cross — Salvage Corps, or the like. Everybody should be in this war, young and old, men and women, in order to assure victory.
