**Here's Quick Relief from SINUS PAIN**  
3-Purpose Medicine Helps Clear Out Congested Sinus Areas  
ONE best way to get relief from torturing sinus pain is to clear congestion from nasal passages and give sinuses a chance to drain. A few drops of Vicks Va-tro-nol in each nostril is usually enough to bring this comforting relief.

**3-PURPOSE MEDICINE**  
Va-tro-nol is so successful because it does three important things: (1) shrinks swollen membranes of the nose; (2) helps clear out pain-causing congestion and (3) soothes irritation. Many sinus sufferers say it's the best relief they've found. Try it!

### Stuffed Breast of Veal

Here is another way to have your roast and extend it, too!

Veal, like all meats, is best roasted at 325°, fat side up on a rack in an open pan. Allow 40 minutes per pound for this boned roast, 35 to 40 minutes for leg or shoulder. Over 6 lbs. allow about 5 minutes per pound less.  
Spread but boned veal (butcher will usually remove bones on request, if meat is not already boned and rolled). Spread meat with stuffing, roll up tightly, skewer and tie firmly. Shape remaining stuffing in small balls... for cooking around the roast in final half-hour. Roast the veal as above. Carve in thin slices—a stuffing ball or two for each serving.

**DRESSING FOR BREAST OF VEAL**  
This dressing calls for sausage meat. (Ask for Brookfield sausage whenever it is obtainable). It is well worth while to use this low-coupon meat to extend your tender and succulent Veal Roast.  
1 lb. sausage meat  
4 cups breadcrumbs  
1 tsp. salt  
1/4 tsp. pepper  
1 tsp. sage or other savoury herbs  
2 tbsps. chopped onion  
Mix ingredients. If moistening is needed, add a little warm water or gravy. Pack in roast. Use remainder for garnish.
