It's good to be able to tell cricket fans that the game's No. 1 box office attraction, Dennis Compton, is in rare form in Britain, despite a recent operation for varicose veins. He played for Army against the R.A.F. at Lords and treated a crowd of 21,000 to a display of all his best strokes, good for 83 hits, and ran nealy all the 159 runs scored in his two hours' stay at the wicket. Compton played with his legs padded with cotton wool and adhesive tape but it didn't seem to slow him up appreciably. His team declared at 284 for six wickets and when stumps were drawn the R.A.F. had lost seven wickets for 169.

Sydney Wooderson raced a mile in 4:17.4 at London's White City track and won his race handily. Two hours later he was running again but he was 15 miles away and travelling a three-quarter mile stretch in 3:12 after a fast rash by automobile and train from White City.

A sales agency for Eire greyhounds, formed with the sanction of the Irish Coursing Club, hopes to extend the export trade to Canada, the United States and France. Its first objective will be an attempt to improve Irish-bred stock. Then it will go after the export business.

There's talk about in Britain that steeplechasing, banned last winter for the first time since the war began, may be revived during the coming season. It is dependent on the transport situation, the ban having been made effective as a means of cutting down pleasure travel at a time when the nation's railways were concentrated on movement of troops and supplies for the invasion forces.

Age didn't mean much in the war's longest horse race at Windsor when the oldest horse entered, eight-year-old Bo-Tree pounded home a head in the lead in the two mile 4½ furlong Windsor Stakes. Bo-Tree paid off 11-2. On this program little Tommy Carey rode three winners to set himself three behind Gordon Richards, Britain's champion jockey. Gordon has 30 wins.

A Western Canada armored reconnaissance regiment swept to the championship of a Canadian Armored Division tabloid sport meet by a margin of 21 points over the second-place armored regiment team made up mostly of Montreal athletes. Compiling a total of 147 points in various running and jumping competitions, the winning team included Tprs. W. R. Smith of Clandeboye, Man.; A. Dutka of Commerce, Sask.; and J. Main of Carstairs, Alta.; Cpl. F. B. Mean of Edmonton and D. A. Griffin of Nelson, B.C. Runnersup included Gdsm. C. H. Watson of Cornwall, Ont., and Gdsm. J. Jones, C. England, T. Grandille, J. Mooney, R. O. Vantassil, all of Montreal.

SMITHERS

C. H. Sawle, the editor of the Omineca Herald of New Hazelton, accompanied by Mrs. Sawle, paid a brief visit to Smithers last Saturday, calling on all his old friends here.

Cliff A. Warner of the Prince George Citizen favored his old home town with his presence for a few days last week and enjoyed the company of his old friends here during that time. Mr. Warner was formerly connected with the Interior News of Smithers but for the past five years has been on the staff of the Citizen at Prince George. During his present holiday he spent part of the time fishing at Babine Lake.

The village commissioners and some of the citizens of Smithers met with the Indian agent of Smithers Monday evening to discuss the situation regarding the present undesirable location of the Indians on the townsite and it is hoped that some arrangement can now be made whereby they can be moved to some more suitable site.
