Would Be Key To 1943 Victory Over Adolf Hitler

Believed That Sixty Nazi Divisions Would be Thereby Diverted From Action Against Soviet

MOSCOW, Aug. 6 (CP)—Urgent appeals for the speedy establishment of a second front in Europe came today from the Soviet publication "War and Working Classes" which asserted it would be "the key to victory over Hitler in 1943." Creation of a second front should divert at least 60 German divisions from Russia, the article said.
