MILITARY GOVERNMENT

Editor, Daily News: I am glad that you are getting | . wise to the possibility of a military government that may be even worse than the present one "by order-in-council." Why pay for a Parliament anyway? Surely enough rubber is left to make at least one small rubber stamp to do their work.

You wonder why people vote C. C. F.? Did it ever occur to you that the people may be so sick of Conservatives and Liberals that be well to find out what the cordings. people are sore about and do something about it instead of trying to kid the people and yourself too long. You remember what happened to Bennett!

You can fool all the people part of the time, part of them all the time but not all of them all the time.

Resistance of Fishing Village to Nazi Invasion is Theme of Picture

the love of peace and freedom is not weakness but strength. The story makes use of the traditionally stolid Norwegian temperament as a foil for the Nazi commandant, whipping him into a mounting frenzy of frustration as he learns that he cannot subjugate these simple people just as he wishes. Added n1 brutalities only lead to an ex- Phylis Hamblin plosion point in which the commandant and every Nazi in the Is Joining Army village are destroyed. Following the destruction of the garrison, the surviving townspeople take Popular Local Girl, Having Ento the hills to carry on guerrilla warfare until the invaders are driven from Norway.

The story is a parallel of just what might happen should this part of the country be invaded by the Japanese.

Beale, Monte Blue, Dorothy Tree very well known and popular and some Broadway favorites girls, having, indeed, been born who are seldom seen on the in Prince Rupert. A prominent screen.
