Every Home Should Have a Complete

FIRST AID KIT

First aid may save a life — possibly your own. Every home and car should have a complete first aid kit to cope with any emergency. This is a wise precaution while we are at peace but an obvious necessity in wartime. See our complete line of First Aid Kits and stocks of hospital-fresh dressings, antiseptic and other supplies.

Get yours today and be prepared.

TWO TEAMS IN LEAD

Watts & Nickerson and Sav-Mor Displace Burns in Five Pin League

Burns, by losing two games to Signals, dropped into second slot in the Men's Five Pin Bowling League and the vacated first place is now held jointly by Watts & Nickerson and Sav-Mor.

The Watts & Nickerson squad was really clipping the pins but had no opponents for the three games. Sav-Mor, on the other hand, swept three games from All Stars.

Another team, the Painters, also took three games by default when Stone's failed to show up.

The Chinese Youth were badly beaten three games by the Air Force Wireless, which team, incidentally, leads th eeighteen team Air Force loop.

Ken Grant shot a new high single for this league, a 361 effort, but Claude Chayko was right on his game to score high three of 796.

Individual scoring:

All Stars—	**1**	**2**	**3**

NAZI LINE CRACKING

Fighting is Now Going on in Outskirts of Kharkov, Berlin Admits

MOSCOW, Feb. 16 (CP) — The advancing Red Army has cracked Adolf Hitler's southern battlefront along a 400-mile line from the regions of Orel province to BolshieSalv, thirty-six miles northeast of Taganrog, and is closing the struggle about Kharkov, pushing three active spearheads into the Donets Basin, the Russians said today.

Russian communiques and dispatches gave very little information about what was happening in the Kharkov region but it was believed furious fighting was raging about the city.

In Berlin it was indicated fighting was going on in the outskirts of Kharkov.

MYSTERY IS HERE

Edward Arnold Has Novel Part of Blind Detective in "Eyes in The Night"

"Eyes in the Night," the novel story of a blind sleuth played by Edward Arnold, comes to the screen of the Capitol Theatre here this Wednesday. Arnold, with the aid of an almost uncanny sixth sense, grapples with mystery and danger. He is aided by an almost human "seeing eye" dog.

Ann Harding, returning to the screen after a lengthy absence, plays the part of the wife of an inventor, Reginald Denny, whose work is spied upon by foreign agents. They involve here in a murder plot and she goes to Arnold for aid. The spy ring imprisons Arnold and Miss Harding's family. However, Arnold and his dog extricate them and cause the arrest of the spies.

Arnold has scenes in which he fights enemies by sense of hearing, taking advantage of darkness and other exciting moments, demonstrating the details of a blind man's life. Miss Harding enacts a difficult role with conviction and Donna Reed, former campus queen, handles an emotional characterization with skill. Reginald Denny is engaging as the inventor and Allen Jenkins convincing as the blind detective's partner.

Negotiations For Leasing of City Land Continuing

No arrangement has yet been reached between the city council and the United States War Department in regard to the leasing of city property which has been occupied under permit. Last week there was a conference between the council and the military authorities on the matter but no final decision was reached although the council rejected a proposed $1,000 for the first year and $500 for each succeeding year for land in the Acropolis Hill area and a basis of $1 per lot per year in Section 4.

Negotiations are continuing with a view to making a definite arrangement of terms.

Americans Get Mount Oldfield Water System

The city council has decided to offer the Mount Oldfield water system to the United States military authorities here as a means of enabling them to meet their water needs at Acropolis Hill but makes no guarantee as to the quantity or quality of the water. Neither will the city accept any responsibility in regard to expenditure on reservoir repairs or materials and labor necessary the system in operation. T cision was the outcome of ing last week between th and the Canadian and military authorities when ter of water supply was Other than this the cit is not undertaking to su water connections to th establishment here which others, will come from n new connections ruling week by the council, R Ralston, minister of nat fence, has been sent a t cation reiterating its re grant new water connect to military projects.
