## CONFERENCE CONCLUDED IN ACCORD

VOL. XXXII, No. 124

Important Meetings Between Churchill and Roosevelt Over-Terse Statement Issued

WASHINGTON, May 28 (P)- The conferences between Prime Minister Winston Churchill of Great Britain and President Franklin D. Roosevelt of the United States has concluded. President Roosevelt said Thursday that military planers of Great Britain and the United States have reached "complete agreement on future operations in all theatres of war." This terse statement on global strategy to be followed in the future came instead of an anticipated joint statement by the two United Nations leaders.

Where the next Allied blow against the Axis. may fall is still a well kept secret although it has become obvious that increased attention will be paid to the war with Japan.

There is no reason to believe that the idea of an invasion of Europe has been given up.

## TO PRESS ONITALY

Foreign Secretary Anthony Eden Says There Will be no Let-up In Attack

PORTSMOUTH, England, May 28 0 - Foreign Secretary Anthony Eden, noting that Italy "now lies wide open to air attack," said today that the attack "will be pressed home by all means in

An announcement om Allied headquarters in North Africa said that Allied bombers and fighters slashed again yesterday at Villacidro and Decimomannu, important Axis air fields in Sardinia, and the island of Pantellaria, destroying 13 enemy fighters in combat and many aircraft on the ground.

There are reports that Premier Benito Mussolini is making preparations to evacuate both Sicily and Sardinia.

A large dam and power plant on Sardinia was bombed yesterday.

## BIG RUSS OFFENSIVE

Battle to Drive Nazis Out of Kuban Area

LONDON, May 28-The Russians have thrown some ten divisions or 150,000 men with great numbers of guns, planes and tanks into a large offensive apparently designed to drive the Nazis out of the Kuban area in the Caucasus. The aim would appear to be to reach Kersch Strait on the Black Sea.

Already a fierce battle is reported under way to the north of Novorossisk.

Elsewhere along the Russo-German front there are artillery duels and patrol activity.

On Karelian Isthmus there has been a sharp clash with a Finnish force which is said to have been wiped out.

# EDMONTON — Social Credit DAMAGE IN

Early Statements in Regard to Loss Were Somewhat on Extravagant Side

TERRACE, May 28-During the excitement which attended the fire which last week destroyed the sawmill of Little, Haugland & Kerr here there were extravagant rumors as to the extent of the damage. Authoritative statements now reveal that the loss will amount to between \$10,000 and \$15,000, part of this being covered by in-

# Royal Canadian Air Force Fliers Taking Part In Kiska Raids

Americans Continue to Improve Their Positions on Attu: Enemy Resistance Being Broken—127 So Far Killed in Action

WASHINGTON, D.C., May 28 (CP)-Royal Canadian Air Force pilots, flying United States War Hawks, bombed the main camp on Japanese-held Kiska Island May 25, the Department of the Navy announced today. Hits were scored near enemy gun emplacements and other areas. The Navy also announced that United States troops

have attacked the third main posi-1tion which the Japanese held on Attu, south of Lake Cories, and indications were that the entire enemy force on the island was being rapidly broken up into very small ATTACKED Last night it was stated that

American warships had bombard- Instrument and Glass Works Deep ed Japanese installations on Attu levelling main camp buildings. At the same time it was said that American land forces had taken a new ridge overlooking Chicagof Harbor whence the main enemy positions could be readily attacked The Americans now hold both sides of Chicagof Harbor.

Secretary of War Henry Stimson yesterday announced the casualty list in the Aleutian Island campaign so far as consisting of 127 killed, 399 wounded and 118 missing. The Japanese are believed to have suffered much heavier casualties.

American planes have made an other attack on Kiska and caused considerable damage to installa tions there.
