occurs on which we have no right to count, 1944 will see the greatest sacrifice of British and United Startes armies." The war situation was more hopeful than

"The valiant and brilliant Russian offensives have wrecked the German war machine and inflicted wounds that may well prove fatal," Mr. Churchill declared. The Prime Minister said the back of Nazi submarine warfare has been broken and devastating air war upon Germany had "been one of prime factors in the impending ruin of the Hitler regime." Warning that Hitler still has four hundred divisions to throw into the combat, Mr. Churchill cautioned that "we cannot exclude the possibility of new forms of attack on this island." He said "it
