Demonstration Last Night in Connection with Recruiting Campaign

The demonstration of setting up anti-aircraft for action which took place last evening on Third Avenue in front of the Post Office as part of the program in the campaign for recruits for the ack-ack company of the Prince Rupert Machine Gun Regiment proved to be of considerable interest to a large crowd which gathered. The demonstration was in charge of Major Gray and a regimental band as well as a detachment from "A" Company of the reserve under Lieut. Ralph Farris was in attendance.

Tonight there will be another similar demonstration with low-flying aircraft also taking part. The Prince Rupert Sea Cadet Band will also participate.

LIVERPOOL, June 15.—Twelve-year-old John Robson of a north-east English town is a blitz hero. He supported for hours with his back a huge stone which threatened to crush his mother and five others buried with her in debris after their apartment dwelling had been bombed. Rescuers finally got John and the others out safely.

**NOVEL IS SCREENED**

"My Friend Flicka" is Fine Attraction at Capitol

Another novel has been made into an outstanding picture in "My Friend Flicka," Mary O'Hara's best selling book of last year. Slated to open Wednesday at the Capitol Theatre, the technicolor film boasts a featured cast topped by Roddy McDowall, Preston Foster and Rita Johnson.

In the film version of the popular novel about a boy and his horse, Foster plays the strong-willed rancher. He's the father of the boy, played by Roddy McDowall, who soared to fame for his work in "How Green Was My Valley" and "The Pied Piper." Rita Johnson is the capable, understanding mother.

 From The Waterfront

Short stays which are being made in port by the Union steamers on the Queen Charlotte Islands are again being protested by local business men who are finding it difficult to receive their mail and to return orders for shipment to the Islands during the time the ships are in. Arriving late one afternoon, and leaving the next morning does not give enough time, it is contended. Some time ago the Prince Rupert Chamber of Commerce was advised by the Union Steamship Co. that the ships would stay in port at least twenty-four hours.

**RODDY McDOWALL**  
 the young star who captured your heart in HOW GREEN WAS MY VALLEY was the natural choice for the screen version of MY FRIEND FLICKA, the Best Seller that thrilled 40,000,000 readers!
