HIS war is far from over. Our leaders do not think it is won yet, though we are winning. But it takes blood, and sweat, and tears over the last mile, too, and you should be thankful that you can do your part by LENDING your money, at good interest and do the double job of backing our troops and your own future in Canada with the same transaction.

So... buy Victory Bonds now. Buy all you can from savings, then buy more on the instalment plan, out of income. The money you LEND for Victory Bonds will earn good interest, and will provide our troops with the extra power they require to speed the victory.

More people must buy more Bonds in this Victory Loan! Think now of what the men on the firing line face. Ponder a moment on the youngster who is daring the blinding flak over enemy targets. Dream about the lad who is sticking it out in cold lashing spray to keep it our ocean.

Then dig deep for those Bonds that are needed to put this loan over the top.

HOW TO BUY

Give your order to the Victory Loan salesman who calls on you or place it with any branch bank or trust company. You can also buy Bonds through your employer for cash or on the Payroll Savings Plan. Or send your order to your local Victory Loan Headquarters. Any one of these agencies will be glad to give you every assistance in completing your application. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000 and larger.

OUR LEADERS SAY...

Mr. King-July 25, 1943

"Our men are certain to continue in action on many fronts until the enemy has surrendered. No one can say for how long that may be . . . they must command a singleness of purpose in our hearts and minds and the utmost that our country can give in their support."

Mr. Churchill-July 27, 1943

"Nevertheless, let us not allow this favourable inclination of our fortunes to blind us to the immensity of the task before us or of the exertions still to be made, and privations and tribulations still to be endured and overcome."

Mr. Roosevelt-July 29, 1943

"We still have to defeat Hitler and Tojo on their own home grounds. No one pretends that it will be an easy matter. We shall not settle for less than total victory."
