man who calls on you. Or place it in the hands of any branch

of any bank, or give it to any trust company. Or send it to

your local Victory Loan Headquarters. Or you can authorize

your employer to start a regular payroll savings plan for you.

Bonds may be bought in denominations of \$50, \$100, \$500,

\$1,000 and larger. Salesman, bank, trust company or your

local Victory Loan Headquarters will be glad to give you every

assistance in making out your order form.

Big things . . . ships, howitzers, bombers, tanks. Little things . . . screws, rivets, bolts and needles; shoes and sealing-wax.

Unfamiliar things . . . Asdic apparatus, radio locators, gyroscopic compasses. Everyday things . . . food, blankets, bandages, overcoats...

All these things are measured in dollars.

Only dollars can ensure that our fighting men get everything they need!

Because dollars are essential to victory, those who do their share by buying Victory Bonds make the job easier for our men overseas... make it easier for us to win!

Everybody must lend what they can! Everybody can provide something for victory!

Even \$300.00 in bonds will provide 3 depth charges to sink submarines . . . Buy 9 Tommy guns for parachute troops, or 9,000 machine-gun bullets... Drive a tank 4,500 miles.

If you have money saved, put it into Victory Bonds. If you haven't savings, buy bonds by instalments out of earnings. Do both if you can . . . But do it for certain! And do it NOW!
