every effort should be put forth in every field for the betterment of conditions in our city especially when we are now living under very extraordinary circumstances. We heartily commend the work which you have done through the pages of your newspaper in bringing to your readers a word picture which otherwise a slight turn of the head serves as a valid excuse for "I have never seen it."

That conditions have greatly improved in this city in the past few months is a generally accepted fact. That doesn't mean though that all effort must be concluded. It is really a pleasure to hear a quite general comment in regard to the very noticeable change.

On behalf of the Ministerial Association of Prince Rupert would you through the pages of your paper bring to the attention of the public especially in the Rushbrook Heights area the fact that a Community Sunday School is to be operated in the East End Hall on Sunday afternoons beginning on March 21.

The respect of an individual rests upon his moral and spiritual foundation. So may we as citizens together with those who are here because of war work give every support for the direction of youthful minds and hearts in this area which is quite far removed from the various churches.

C. A. WRIGHT,
Secy. Ministerial Assn.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT
The Hostess

I hear that Hec Mackenzie's special regiment is going all out for their big formal on Monday night at the Empress. All the junior hostesses have been provided with their own special partners and refreshments are going to be served at little tables around the hall. It's really going to be something, so Hec tells me. The Y.W.C.A. chaperones for the evening will be Mrs. Lamb and Mrs. Adcock.
Then at the end of next week, Friday to be exact, the Fairview boys are giving one of their dances out at their quarters. All juniors are invited to attend and are to

meet at the "Y." Remember the fun we had last time when Captain MacGregor took seven of us home and almost—but not quite—ran out of gas?

And talking about our junior hostesses, I think it's about time they came in for a little thanks for the grand way they've turned out to the dances all winter. I overheard a very nice comment on them from a recent chaperone who had never been to the dances heretofore. She remarked upon their good behaviour and especially upon their co-operation. She said, although they were obviously danced off their feet, they accepted every dance pleasantly and above all played no favorites. I was very pleased to hear this from an observer—of course I had known it all along myself but hadn't liked to boast. Nice going, girls!
The latest innovation at the "Y"

and one we should have had a long time ago is the "Lost and Found Article Box." So many things are left around and the astonishing thing is that they are so rarely claimed. I keep them a certain time and then dispose of them to the Red Cross salvage or to the Bundles for Britain scheme, so they end up by doing good for someone. Articles left in the ladies' room at the Empress after dances also find their way there as well.

Service to all Services

"Boy, what a relief!"

Men in all the services say it with sighs of satisfaction as they light Sweet Caps after arduous duties anywhere, everywhere from Alaska to the Near East—soldiers, sailors, airmen. Relief! It is Sweet Caps' prime service in war time to bring relief to warriors . . . And they do it so delightfully that they are the most popular cigarettes with Canadians over here, over there, everywhere!

SWEET CAPORAL CIGARETTES

"The purest form in which tobacco can be smoked"

If occasionally your dealer is out of Sweet Caps, it's because the demand for overcast is so great and so insistent. Surely they deserve them first! Ask for Sweet Caps again tomorrow.

Tens of Thousands of VOLUNTEER WORKERS make your Red Cross Dollars Stretch Farther

Toiling daily in selfless devotion, Canadian women labor to make YOUR Red Cross dollars stretch farther.
They sew and knit garments, pack food and supplies, fill precious boxes for our boys in enemy prisons.
Since the war began, Red Cross "Blue Smock" workers have made millions of articles from approved patterns, packed millions of cases, for fighter and civilian comfort and relief.
Other volunteer women, specially trained, drive cars, trucks, ambulances, help as nurses and nursing aides, office workers and dietitians. Hundreds of doctors, too, give their time freely to help relieve human suffering.
The 857,000 members of the Junior Red Cross also, are doing work of untold value.
These volunteers make YOUR Red Cross dollars go farther for material, food, medical supplies, preparation of blood serum, for our fighters and war victims on the world's war fronts.
This must go on. As the war expands, intensifies, the need grows. Never was the need for YOUR dollars so great.
