Try This at bedtime tonight

If you find it difficult to get to sleep, then sleep poorly, and awaken nerve-jangled and tired in the morning, here is a simple aid to better sleep and morning freshness.

New, Improved Ovaltine helps to relieve that feeling of nervous tension. Its special food elements are processed for easy digestion. These food elements help to replenish the body while you sleep.

New, Improved Ovaltine contains more of Vitamins A, B, and D, and the minerals Calcium, Phosphorus and Iron, than ever to replenish worn out muscle, nerve and body cells.

Try New, Improved Ovaltine. See if it doesn't help you to wake up fresher, more buoyant. Get Ovaltine at your drug or food store.

SEA CADETS' INSPECTION

Local Corps Commended Last Night by Commander D. C. Wallace Before Departure for East

Commander D. C. Wallace, who is being transferred to another post after having been naval officer-in-charge at Prince Rupert for the past few months, made a farewell inspection of the local Sea Cadets Corps at a special parade last evening in the naval drill hall. The boys turned out one hundred strong under Lieutenant Commander Alex Mitchell and made a showing which drew high commendation from Commander Wallace who declared that they had nothing to feel but pride in themselves. He

hoped they would carry on as well in the future as they had done in the past. In the course of the proceedings Commander Wallace dedicated a log book which had been donated by the bugle band.

R. M. Winslow, president of the local branch of the Navy League of Canada, made a few remarks of appreciation to Commander Wallace as did Lieutenant Commander Alex Mitchell. Three hearty cheers for Commander Wallace were given.

Twenty new recruits were out for last night's parade.
