A Bird for Thanksgiving

That we can still plan a traditional dinner in this fifth year of war is truly an occasion for thanksgiving

When we sit down next Monday to the Traditional Thanksgiving festivity, let us remember how incredible such a meal would seem to the vast majority of the peoples of this world. Let us determine, too, not to waste any of the good things which are still relatively so abundant in this Canada of ours.

Whether you serve Turkey, Goose, Duck or Chicken this year, you will find the recipe in the next column of real value both in pleasing palates and extending meat. Bread sauce is an Old Country trimming not widely enough

known in Canada, it is delicious

with all birds, it is nutritionally tops and it does help meat go farther.

There are more than 90 good recipes in Martha Logan's famous handbook of meat cookery; "Meat Complete." Send 10¢ for your copy to Swift Canadian Co. 1 td. Dept. NE38 New Westminster
