NAZIS BUILD MORE WALLS AGAINST INVASION

As evidence of her fear of a second front, German magazines strive constantly to reassure the German people, with pictures of walls being built in various coastal districts. This wall is being built hastily on the Mediterranean coast of France by members of the German Labor Corps.

WAR NEWS

AUSTRALIANS TAKE FINSCHAFEN

ALLIED HEADQUARTERS IN SOUTH PACIFIC-Australian forces—the ninth division—have captured Finschafen, important Japanese stronghold on New Guinea, the defenders being on flight into the jungles or dead in the field. It is the third stronghold to be taken by the UnitedNations from the Nipponese on New Guinea, the others having been Lae and Salamaua. Capture of Finschaten gives the Allies control of Huen, 70 miles from New Britain. Since June the Japanese have lost 1,500 planes, 27 warships and 42 transport vessels in the South Pacific.

LONDON HAS AIR RAID ALARM LONDON-London had a brief air raid alarm today when a

single German bomber attempted to penetrate the defences of the city but was turned back.

MUNICH IS ATTACKED AGAIN

LONDON-The Royal Air Force made a "well concentrated" bombing raid on Munich Saturday night, it being the second attack on the important German city within 36 hours. Other cities in the Ruhr and Rhineland were attacked. From all the raids nine British bombers failed to return. All day today the air attack on the enemy in western Europe including Holland and Northern France continued.

RUSSIANS CONTINUE ADVANCE

MOSCOW-The Russians continue their rapid advances on both ends of the 800-mile front. On the north the Soviet forces have progressed another nine miles toward Gomel in White Russia, liberating 320 more towns. On the south the Nazis have retreated across Kersch Straits into the Crimea.

DRIVE ON DODOCANESE

CAIRO-The Germans have launched a drive to clear the British out of the Dodocanese Islands which they (the British) seized a couple of weeks ago. There have been combined air and sea operations by the enemy, parachutists being used. "Necessary counter measures have been taken," Allied headquarters announced. Dodocanese Islands lie off the southeast coast of Turkey in the Aegean Sea and constitute a threat to the Balkans.

FRENCH TAKE BASTIA

ALLIED HEADQUARTERS IN ALGIERS-Final collapse of German resistance in Corsica was marked by entry of French lifted him to the top in relaxed against the back of his forces into Bastia. The Nazis were still scattered on beaches at isolated points north and south of Bastia but these were being great reliance on him, has gone beyond denouncing pressed by French and American troops.

Is Announced To Docks

Members of Armed Services Dispatched to Docks After Handlers Strike

OTTAWA, Oct. 4 (CP)—Mem-

bers of the three armed services will be moved immediately to handle important shipments at Halifax docks where some 300 freight handlers are on strike, Department of Labor officials said today. The action was ordered after the men voted at a meeting Monday against returning to work. Members of the forces will be used primarily to move perishable goods and vitally needed war materials from freight cars to wharves where longshoremen load them into

The handlers stopped work Saturday on the basis of reports that the National War Labor Board had granted them an increase of only four cents per hour.

American Station Complement Wins Over Air Force 4 to 1.

Taking advantage of six errors. American Station Complement went to work with a will and took sweet revenge on the Air Force Flyers at Acropolis Hill last night by breaking through a weak defence and coming out on top of a four to one score to even the Inter-Service Softball Championship finals at one game apiece. The "I find it hard to believe that Flyers had taken the previous
