OUR TURN NOW

A year ago we were wondering what HITLER was going to do. Today he is wondering what WE are going to do next.

Yes, the tide is turning but the war is far from won. This is no time to let down, it is time to accelerate our efforts. Young physically fit men and women should be in the Army. Those who are not fit for active duty should, if possible, be in the Reserve — the Rangers — the A.R.P. — Red Cross — Salvage Corps, or the like. Everybody should be in this war, young and old, men and women, in order to assure

tainer sizes now in use.

NEW SCHEDULE

PRESERVES RATIONING

EFFECTIVE SEPTEMBER 30, 1943

Preserves rationing gives the consumer a number of choices both of products and sizes

of containers. Because of the wide range of container sizes and the variation in buying

habits across the country it was necessary to put the system into operation and then make

Now that preserves rationing has been in effect for several weeks, it is possible to make

some increases in coupon values. The new schedule is announced below and is effective

The new doubled ration allowances for molasses, extracted and comb honey will enable

consumers in areas where consumption of these products is heavy, to buy more and still

The increased ration allowances for corn, cane and blended table syrups and maple syrup

are adjusted to bring coupon values more closely into line with the great variety of con-
