INVASION OF ITALY

Scenes like this one off the shores of Sicily were probably enacted again during the invasion of the Italian mainland. A naval communique announced that Allied cruisers, monitors, destroyers, gunboats and other small craft supported the landing. This picture censored until now, is from News of the Day Newsreel.

NEW "G" COUPON

This is the new "G" coupon card which will ensure supplies of evaporated milk for babies. Each coupon is good for six 16-ounce cans of evaporated milk. Parents or guardians may obtain the new ration card at a Ration Office or Local Ration Board. Any surplus stocks not required to meet the needs of babies or others who require evaporated milk for reasons of health and for ships' stores and areas where there is not enough fresh milk, can be sold by retailers without receiving coupons.

Amphibian Forces of Allied Eighth Army Go Ashore North Of Volturno-General Advance

ALLIED HEADQUARTERS IN ALGIERS, Oct. 15-Amphibian forces of General Mark Clark's Fifth Army, including infantry and tanks, have been landed on the west coast road of Italy leading from Naples to Rome north of the Volturno River.

Further inland bridgeheads of the British and Americans have been substantially extended and are declared to be safe from enemy counter-

With the Eighth Army also advancing on the east end of the transItalian front, the Germans are falling back generally on new positions for defence of Rome.

In Rome all people have been ordered to establish emergency stores of water and food and the evacuation of all unnecessary civilians north of the Tiber River to the frontier has been ordered by the Nazi authorities.

American Flying Fortresses yesterday staged a raid on Terni, fifty miles above Rome.
