WANTED INVESTIGATORS, MALE,

NATIONAL SELECTIVE SERVICE

Salaries \$2,400, \$2,700, \$3,000, \$3,300 and \$3,600, less usual deductions, depending on the qualifications of the applicant and the work to be performed.

Appointees will be required to survey specific industries to determine the manpower requirements and labour needs in order to maintain plants at full production, and to deal with problems arising therefrom.

While no minimum education has been specified, educational qualifications will be given consideration. Applicants must have a thorough knowledge of, and extensive experience in at least one of the industries named hereunder familiarity with plant operation, machines and mechanical equipment, and a knowledge of general working conditions under which such industry operates: Shipbuilding, Pulp and Paper, Metal Trades, Needle Trades, Automotive, Retail and Wholesale Trades and Services, Agriculture, Lumbering, Coal Mining, Machine Shop, Steel, Food Processing, Transportation and Communications, Logging, Aircraft, Packing Plant, Base Metals Production and Fabrication, Textiles, Fish Processing.

Applicants must possess ability to meet people in a friendly way and to discuss industrial problems, to investigate future anticipated labour needs, to deal with transference of labour, up-grading, dilution of labour, to review existing contracts, and to report Manpower needs arising therefrom. Preference will be given to those ineligible for military service.

Application forms, obtainable at City Post Offices, must be filed with the Civil Service Commission, Ottawa, NOT LATER THAN JANUARY 26th, 1943.

Candidates should clearly indicate on their applications, their experience, qualifications, present rate of pay, and if willing to serve elsewhere than in present province. This advertisement is authorized by the Director of National Selective Service. Applications will not be transferred—candidates must file new forms.

Canadian National Railways
