## Fourth Largest City . . .

The annual report of the Department of Munici- evergreen boughs, ferns, moss. palities says that Prince Rupert is the fourth largest pine, spruce, salal berry leaves city in point of population in British Columbia to- shall be nameless but beautiful. day. The people are here but, as we have often said I tried later to help Chester in before, the city is not geared to take care either of arranging them but he was so John Heather of the Royal Arthe population or the increased demand due to war immensely more adapted to the tillery, who was posted as missdevelopments. Prince Rupert, as a city, is, therefore task that I soon let him do it ing on the Somme in May, 1940, unable to take full and normal advantage of the pros- ful. they are the first of the hiding 13 months in the cellar perity that should be occasioned thereby. Unfortu- Yuletide decorations. nately, it has so far the aspect merely of an unnatural boom which, however, will no doubt settle down to our permanent advantage.

## The Mosley Case ...

Release of Oswald Mosley from prison on medical grounds is an indication that British authorities feel that he is no longer a source of danger.

Sometime the strange case of Sir Oswald and of 1943" makes its initial ap-Lady Mosley will receive the study it deserves. What led these people up such obscure and dangerous try-out at Seal Cove last weekavenues? Was it a craze for notoriety or an exaggerated egotism, or was there some sincere patriotism personnel from Seal Cove and mixed with their folly? Certainly the Mosleys served Group Headquarters and the their country well, though unconsciously, by giving fun is fast and furious. Britain an object lesson in how stupid and ridiculous Night" with us at the Y as so Fascism was when seen close up. After a few of Mos- many of the boys with families ley's shows it was definitely certain that not even the abysmally weak leadership of the MacDonald-Baldwin era could turn Englishmen to a Fuehrer of the Mosley type.

The Mosleys seemed to be on a quest for something that would really benefit their country. They tried affiliation with Conservative, Liberal and even parties, without achieving anything. Then they turned to Fascism, with the ridiculous idea that British people could be led that particular alley by glamorous uniforms and exaggerated gestures that were more in place in the Plazza Venetia than in Trafalgar Square. It speaks well for the British people that even in the bad years they recognized the phoney quality of the Mosley bid for leadership.
