## FEW VOTERS REGISTERING

Little Interest 30 Far Shown In Municipal List

Although the city clerk's office remained open until 9 o'clock last night to receive names for the civic voters' list, no applications were taken yesterday, according to City Clerk H. D. Thain. Registration period for the 1946 voters' list closes at 3 p.m. Thursday.

In the meantime, the City Hal will be open for registration of voters from 7 o'clock to 9 o'clock in the evening, tonight and Wednesday.

Only sign of interest Monday in the voters' list was when one citizen called to confirm the fact that his name was alreade on the list.

Citizens are warned by Returning Officer H. D. Thain that the fact that they pay poll taxes does not automatically place them on the voters' list. They must make formal registration at the City Hall.

voters' list will be smaller than the 1945 list which contained 2.165 names.
