Veteran Joe Gordon drove in the winning run for the Yankees while Charley Keller collected his fifth home run of the training season.

BASKETBALL POT SHOTS

According to reports from Ketchikan the All-Star team which will play here next week has been playing exhibition games with other teams in the Alaskan city and have been the victors in their last three encounters by a very comfortable margin. Johnny Mills, the all-Alaska centre with the team, has been setting up an average of 18 points per game in their last four starts so there is no doubt that the local boys will find him tough to handle. Today in Sports

The ski carnival at Smithers is an annual event which was postponed for the war years and this year's held at the end of last week, was the first held in six years. It was a grand success from beginning to end. The Dr. Green Cup winner was Gordon Williams of Burns Lake. A presentation was made to Mr. Dahlie at the grand ski tournament dance.

There was only one game played in the National Hockey League Thursday night. It was played at Detroit between the Red Wings and New York Rangers with the home team coming out on top by a score of four to one. The victory was the Red Wings' sixth without a defeat. Joe Carveth, Adam Brown and Ted Lindsay were the scorers. Their final goal was bagged in the third period by Fernand Gauthier.
