FOUR DEAD, 31 INJURED AS RESULT OF BULLDOZER-BUS COLLISION - Above photograph was taken following the collision of this bus and a big tractor truck, as a result of which four persons are dead and 31 seriously injured. As the bus tried to pass a tractor on which a bulldozer was being transported, the tractor suddenly veered into the path of the bus, the blades of the bulldozer ripping the entire steel side of the bus like paper. Passengers were pulled from their seats and tossed out on the highway.
