vegetable greenery. As fat saved from meat cookery assumes a real significance these days, sausages are suggested for Monday to help you balance supply and usage. From the pound purchase you will be assured of a tasty dinner, as well as some extras to add a spark to a breakfast menu. While there's still an "R" in the month, an oyster stew will fit well into the meatless day pattern of Tuesday. For complete satisfaction accompany it with crisp crackers, strips of raw carrots, turnip and celery, and follow it with that favorite dessert you've been hesitating to have because it seemed a bit too much after the usual dinner. Middle of the week purchase is one pound of round steak. Half of this can be minced for Wednesday's meat patties. And these can be given that "something different" in flavor and texture by combining grated carrot with the seasoned meat. For Thursday, the rest of the round steak is scheduled to appear, along with unrationed kidney. in a succulent steak and kidney pie. You can ease the fat situation by exchanging its traditional pastry lid for a light biscuit one. An egg scallop is satisfying fare for Friday and is a quick trick if you combine mushroom soup with cooked macaroni and alternate it with sliced hard cooked eggs in a casserole . Cover with crumbs, oven heat until bubbling and browned, and partner it with some colorful. vegetables. Lamb chops make a grand finale to the week's eating and go well with baked orange halves, scalloped potatoes and baked beets. The two remaining tokens will be useful to augment Saturday's purchase if you are in a convivial mood, or to lay away for a roast day.
