TO CONTINUE

OTTAWA (P) - Speculation arose here today over the future of meat rationing in Canada, and government sources said they saw little possibility that it would be discontinued before spring or early summer. It was thought that Britain's need for food would make rationing necessary until the spring months.

Amalgamation of Units Favored-Local Project Featured Reports

Amalgamation of all fishermen's co-operative organizations on the coast was discussed at regular semi-annual meetings in the city this week of the Fishermen's Co-operative Federation and the Prince Rupert Fishermen's Co-operative Association and the question will be further gone into by the various individual co-operatives approval of which, in the end, will have to be obtained.

General progress reports for the past six months were featured by the new plant extension at Prince Rupert—the cold storage project at Westview Bay. Volume of fish handling, sales and finances generally were in-

cluded in other reports. Presiding at the sessions were VICTORIA (P)-Salary and Leslie Phillips of Vancouver,
