ABOUT GENERAL MOTORS DELIVERIES

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

Because of the continued and unavoidable shortages of various materials, production of new cars and trucks has remained behind our expectations. As a result, shipments of new cars and trucks to dealers for delivery are still far below the level we and the factory had hoped to attain by this time.

We know that General Motors is doing everything possible to step up its production totals—to ship more and more cars and trucks to us and to its hundreds of

other dealers throughout Canada ... and we know, too, that we are assured of getting our full proportionate share of the current and future output.

Of this you may be sure: We shall continue to make deliveries

of cars and trucks to our customers as fast as we receive them; we regret delays as deeply as you do we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you do take delivery of your new General Motors car or truck.

Keep. Your Present Car or Truck Running Meanwhile, may we suggest that you safeguard your transportation by bringing your car or truck to us for

service now and at regular intervals. Let us help you to keep it in good running condition-to maintain its performance, appearance and resale value — until the day when your new General Motors car or truck comes along.
