## Manson Medal Drivers Hope To Make Halifax-Rupert Trip in Three Weeks

MONTREAL (CP) — Chief Petty Officer L. A. C. Paige and his wife Jean are speeding westward today after passing Montreal on their 3,741mile trip across Canada to win the Manson Medal

offered by the Prince Rupert Public Relations Council for the first car driven across the continent to Prince Rupert over Canadian highway system.

Paige and his wife hope to average 400 miles daily in their 1933 model-and expect to make the trip in three weeks. They left Halifax on July 31.

If they win the medal, they plan to stick on the car and drive back to Halifax in October.
