BOXLA DISPLAY AT CIVIC CENTRE

Box lacrosse will make its debut in Prince Rupert tomorrow night.

Recent efforts to bring the game to life here will have their immediate culmination in a demonstration game in the Civic Centre gym at 7:30 Tuesday and it is hoped that this display will be followed by sufficient sporting interest to create intermediate, junior and juvenile leagues for the summer season.

Allan Sheardown, recently appointed secretary-treasurer of 2-4. the Prince Rupert lacrosse organization, feels that the game should find magnificent support in this city.

"This town was made for lacrosse," he says. "It's a natural. During the spring, summer and fall, boxla can be played either indoors or in the open, and I think that there will be plenty of young people who will take an interest in it."

Tuesday night's demonstration game will feature intermediates. all of whom have had plenty of | **************** experience at the game. Some are former players on championship teams in the southern part of the province.

Following the game, those interested will have an opportunity to try out their ability on the the players.

"I know lacrosse is going to and I would like to see not 50 ! but 250 potentional players out 1924. to watch tomorrow night's demonstration," Mr. Sheardown remarked.

Arrangements have been made with the B.C. Amateur Lacrosse Association for Prince Rupert players to purchase their equipment at cost, he added. A considerable amount of equipment is already on hand.

Britons Migrate To South Africa

JOHANNESBURG (P) - Hundreds of British ex-servicemen, Sodburys-is mentioned in the are making every effort to come to South Africa to settle.

The London office of the 1820 Memorial Settlers' Association has become so busy that a man from the head office in Capetown has been sent to England to help with the rush of work. At least 500 former member

of the R.A.F. who left their South African wives in the Union, will be arriving in this country in batches as shipping becomes available and will all reach the Union long before the end of this

"OLD SODBURY" NEVER DIES

CHIPPING SODBURY, England D-Music hall comedians always found Gloucestershire's Chipping Sodbury good for a gag but now, with the amalgamation of Chipping Sodbury with the nearby parish of Old Sodbury. the village will be known officially as-Sodbury.

No villager, however, has any intention of allowing the full title to die. Said Murray Dowding, local antiquarian:

"It is nonsense to suppose we will let the old name go. Old Sodbury—the mother of all the Doomsday Book and you cannot destroy a tradition like that."
