# YOUR COMMUNITY?

#### Here's a way to rate yourself in the POLICE TRAFFIC SAFETY CHECK

Let's be honest, now ... remember, your own safety and that of your family depend on the way you drive.

						and the second		
YES	NO		YES	NO		YES	NO	
		1. Do you always signal before turning or coming to a stop			4. Do you obey traffic lights - even when you're in a hurry?			8. Do you know and obser the rules of the road in yo
		(never play guessing games with the driver behind you)?			5. Do you drive in and turn from the proper traffic lane?			community? (Frankly, now, hà you ever looked them up?)
		2. Do you always come to a <i>full stop</i> at a stop sign (never coast through)?			6. Do you refuse to drink before driving? (Think, now, before an-			9. Do you keep alert wh driving - keep your mind traffic?
		3. Do you give the pedestrian a break even though he may not have the right of way? (Remem- ber, you walk sometimes, too.)			swering.) 7. Do you drive with extra cau- tion in fog, rain or snow and on wet or icy pavement?			10. Do you drive within the speed limits - never yield to the temptation to do a little "lo altitude flying"?

10 "YES" answers - Are you really that good? 8 to 10 "YES" answers - Good driving. We need more of you! 6 to 8 "YES" answers - Fair driving. You must improve. Less than 6 "YES" answers \_ Poor driving. You're headed for

P. S. Take another look at your score. Would your family and friends rate you the same?

Seriously, don't you wish when you and your family are on the streets that all drivers could truthfully answer Yes to all ten questions? Of course you do-and the next driver feels the same way about it. So start today to improve your score.

#### CHECK YOUR CAR!

These are the mechanical features that will be examined in the Police Traffic Safety Check:

SRAKES Do they need adjustment? How about the hand brake?

IGHTS . Do any bulbs need replacing? Are headlights properly focused and aimed? Are tail and stop lights in good condition?

IRES - Are they all in safe condition? (No cuts, fabric breaks, excessive wear?)

WINDSHIELD WIPERS - Do they operate satisfactorily? Do blades need replacing?

HORN-Does it operate easily and when you need it?

Are there any other safety items that need attention, such as steering, defects in glass, rear view mirror, muffler, etc? (Have these checked regularly.)
