PHONE MESSAGES TAKEN BY ROBOT

Swiss Device Records Calls For Absentee Householder

LONDON — A gadget that will answer the telephone and take messages 30 minutes long has been developed in Switzerland, say reports reaching London. The inventor claims that if no one is home when the phone rings his gadget answers, gives the tenant's name and asks the caller to speak. The message is then recorded. The tenant need not go home to hear the message. From an outside number, it is said, he can ring his own house and utter a code word; the gadget then reads him the message. In case a caller may be surprised by the robot, it waits 12 seconds to give him time to recover, then asks again for the message. The inventor says the device can be connected to an ordinary telephone and firms using it in Switzerland pay £8 (\$32) a month. In Britain attachments to telephones are forbidden by the post office unless they have first been approved by post office engineers.

MILK POWDER FOR BOMBAY BOMBAY — The government of Bombay has ordered a quantity of dry whole-milk, full-cream powder from the United States for use in the scarcity districts. Eight hundred tons of this powder have already arrived and the powder will be reconstituted into liquid milk and distributed free of charge to the vulnerable sections of the population.

TERRACE SCHOOL POPULATION HIGH

Largest Number of Pupils On Record Expected

TERRACE — Due to the influx of new population to this area, Terrace will have the largest school population in its history at the reopening this fall. There were 255 pupils at the closing in June and there may be even more at the reconvening. There will be two High School divisions and six public schools. The old school premises to the west of town on the Kalum road having been already overflowed, one class had been housed in the Canadian Legion Hall but this has been given up. By the reopening of the fall term, it is expected two of the Army camp buildings will be available.

Bruce Barr will again be in charge of the High School as the new term opens with F. L. Laird of Prince Rupert taking over the assistantship in succession to Miss Freda Hall resigned. Miss Annie Lips will be back as public school principal again. Other members of the staff will be: Division 2, H. K. Noakes of Victoria, succeeding Mrs. Mary Minchin, resigned; Division 3, Miss Myrtle Johnson; Division 4, Miss Freda L. James; Division 5, Mrs. Ella Hamilton of Victoria, succeeding Miss Joan Macdonald. No teacher has yet been obtained for the sixth division.

Terrace is also the administrative headquarters for several other schools in the district including the following:

- Usk — Mrs. K. E. Chapman of Smithers, newly appointed.
- Copper City — No successor as yet named to Mrs. L. E. Wisart, resigned.
- Cedervale — No successor to Miss June Chapman, resigned.
- New Hazelton — No successor to Miss Jenny M. Richards, resigned.
- South Hazelton — No successor to Miss Emily Backmeir, resigned.
- Kisplox — D. R. Nell to succeed Mrs. R. J. Griffiths, resigned.
- Pacific — Mrs. Hutchison of Usk, succeeding Miss Irene McAuley, resigned.
- Hazelton — Division 1, no successor yet to Mrs. T. Labelle, resigned; Division 2, Miss E. L. Robson; Division 3, Mrs. Grace Lunn of Armstrong.

Terrace Children In Swim Classes

TERRACE — Sixty Terrace children have been receiving the advantage this summer of expert swimming instruction from A. Yoxall who takes loads of kiddies out twice a week by truck for lessons at Lakelse Lake. Thirty-five youngsters between 9 and 12 years go out on Thursday evenings and 25 from six to nine years on Sundays. It is a fine public-spirited service that Mr. Yoxall is rendering and parents and children are alike appreciative and enthusiastic.

Leaving Terrace But Will Return

TERRACE — In a couple of weeks or so now Terrace will lose one of its esteemed residents of many years' standing in the person of Emil P. Willie, who recently sold out the Terrace Hotel to Steve Kohut of Powell River. However, Mr. Willie admits that his heart will probably remain in Terrace and he expects to be back here next spring to establish a permanent little home for himself where he will be able to "potter" about with a garden and flowers.

Mr. Willie plans to visit here for a short time with Ed. Whalen before leaving for Winnipeg to join Mrs. Willie who is now at Winnipeg Beach after having been in hospital in Winnipeg. Then Mr. and Mrs. Willie will go to Victoria for the winter and return here in the spring.
