

SMITHERS IN PUCK SWEEP

Played Six Games in Prince George and Vanderhoof Without Loss

SMITHERS—Smithers senior hockey team made a five-day trip to Prince George, playing three games in Prince George and three in Vanderhoof for a clean sweep throughout the tour. The first game played Saturday night with Prince George ended in a 5-1 tie which was not broken by ten minutes overtime. The second game played Sunday afternoon resulted in a 4-1 win for Smithers, the third game played Sunday night in a 3-0 victory for Smithers.

The games at Vanderhoof resulted in 7-4, 7-3 and 8-4 scores, all victories for Smithers.

The Smithers lineup was the same as played in Prince George when Prince George visited here recently. This was: J. Trew (goal), P. Raymond, W. Watson, T. Jones, K. Warner, B. Leach, A. Leach, J. Chapman, R. Arnold, B. Dunlop.

There were three casualties to

the Smithers team when Raymond got two cuts on the face requiring stitches. Trew had his mouth cut and Arnold received a nasty cut on the top of his head.

The games were very well patronized, there being around 600 spectators at the Prince George games and about 300 at the Vanderhoof games.

Prince George players were: Strabek, Pascoe, Gabriel, Barrie, Henderson, McIntyre, William, Crownchuk, Beech, Reisman, Anderson, Tingley, Sudgen, Corliss (used part time).

Vanderhoof players were: Borsak, C. Steele, G. Steele, Finley, Silver, Mitchell, Wall, D. Steele, Stokes, Smithers, Lee, Holmes, Price.

APPEALING TO "FITNESS" HEAD FOR SKI CABINS

An appeal to Major Ian Eisenhart, national "Fitness First" director of the Department of Health and Welfare, is being made by the Mount Blain Ski Club in its effort to take over the army cabins on Mount Hays following correspondence with War Assets Corporation which indicates that the buildings are not yet up for formal disposal.

Ski Club Secretary Allan Armstrong feels that the "Fitness First" director should be a strong ally in the move to make the army cabins a community outdoor centre.

According to War Assets Corporation, Montreal, disposal of the cabins will be subject to priorities by the federal, provincial and municipal governments and will then be held open for public tender, which is the usual disposal method.

The ski club is seeking faster action and greater assurance of getting the buildings than the War Assets Corporation now offers.

RUP-REC SHOW—Last fall—September 19, to be exact—the following Rup-Rec news appeared in the local press, being part of an article on the training of leaders: "As well as being instructors, the trained leaders will be called on to put on gymnastic displays for the benefit of the citizens. . . . These displays have proven popular both with the gymnasts and audiences in other cities."

In November, big plans were laid to hold the display and practices were under way. Then these plans had to be cancelled on account of temporary banishment from, and then curtailed use of, the "Y" gym. This was a big disappointment to the boys and girls who were working hard towards putting on the show, especially as there seemed no possibility, at that time, that there would be a large enough gym available for such display in the future.

However, all that is forgotten now for it looks as though the long-awaited Rup-Rec display, bigger and better than previously planned, is going to become a reality, and in the near future, too. March 8 is the date set and the place will be the new Civic Centre gymnasium.

We have been privileged with a preview of what is to come, and we can promise you that you will be surprised and thrilled at the demonstration of talent-on-parade on the 8th.

The program includes parallel bars, mat acrobatics, mat tumbling, springboard tumbling, pyramids, fundamental gymnastics, singing, dancing and various other interesting events.

It is impossible, in this column, to do justice to the smooth performance these young people put on. In addition to being a good show, this will also be a

free one and it is suggested that people come early in order to get a seat.

All Prince Rupert will be proud and perhaps a little amazed at the skill shown by their Rup-Rec friends but it is felt that parents will be especially interested in seeing this display as it not only demonstrates the type of activities to be taught to the children but gives an opportunity to meet the people who will be instructing the boys and girls.

LEGION MEMBERS ENJOY SMOKER

Two Generations of Canada's Ex-service Men Get Together

The spirits of two generations of Canada's ex-servicemen were joined in good fellowship last night and the Canadian Legion Hall took on the gay atmosphere of an English music hall as more than 200 gathered to enjoy one of the Legion's smokers.

Running for nearly three hours, the evening provided a continuous variety of entertaining stage talent interspersed with community singing which made the room echo with classics of both the First and Second World Wars.

High on the list of popularity were four songs by Capt. J. A. Teng of the Prince Rupert Machine Gun Regiment, who sang "I Shall Meet You," "Drink to Me Only," "In Flanders Fields," and "Boys of the Old Brigade."

The evening began with an address of welcome by Legion President Hugh Killin. His promise of first-rate entertainment was sustained by the artists.

Andy McNaughton was accompanist for the singers and led the community singing, joined several times by an instrumental quartette composed of Charles Mundy, David Jones, Lorne Stevens and Bill Duffus. Dave Jones' virtuosity on the harmonica received solid applause.

Reg Kings came through nobly with several monologues and Leslie Parkes, a level-headed gentleman, repeated his act of balancing a glass of brown, foaming fluid on his head while he went through a dance and aerobic routine.

Four songs by Sam McPherson received the undivided attention of the audience.

Master of ceremonies was Walter Smith, and special guests included Mayor H. M. Daggett, H. G. Archibald, M.P., City Clerk H. D. Thain, Col. Hamilton Grant, Capt. S. Burrell and J. Scott.

"Sorry, Dear—I should have guessed that he would tell his pals about that malty-rich, sweet-as-a-nut Grape-Nuts Flakes nourishment, too. Why Grape-Nuts Flakes supply carbohydrates for energy, proteins for muscle, phosphorus for teeth and bones, iron for the blood, and other food essentials."
