PROGRAM FOR NAVAL VISIT

Alternations Made in View of Coming of Crescent With Uganda

The information received Monday that the destroyer Crescent would be accompanying the cruiser Uganda has necessitated some changes in the original program of entertainment, it is announced by the committee.

There will be double-headess in both soft ball and basketball on Wednesday, both ships being opposed by Prince Rupert teams, and there will also be a similar double-header in the baseball fixture arranged for Sunday afternoon.

H.M.C.S. Crescent has been asked if she can field a football team to play for the Hanson Cup on Friday evening and, if she is able to do so, then a draw will be necessary and the holder of the bye will play the winner of Friday's game in the final for the Cup on Saturday afternoon.

It is expected that the Crescent will have additional boxing talent to add to the card arranged for Thursday night and weights of fighters will probably be received before her arrival.

Big Scores In Fastball

General Motors Wins From 99 Taxi 22-1, and Co-op From Grotto 12-7

In the feature event of last evening's softball doubleheater the General Motors nine always had the game against 99 Taxi well in hand. Ted Arney pitched well, allowing only 5 hits, striking out 2 and walking 2. Pavlikis was behind the plate. When it came to hitting it was all General Motors. Joe Davis had a perfect evening at bat. He hit five two-baggers in succession and was given a walk in the last inning. But everybody was hitting. Minor Simonson also had five hits and a walk. Their fielding was good with Lambie's catch in the outfield the highlight. He took the ball in the gravel heap and fell but held it.

For the Taximen it was their night off. They had few safe hits. Fitch took 4 in the outfield. Simonson handled two very hot drives at third base that otherwise might have meant runs. They tried hard but were clearly outplayed. Beynon was driven out of the box and was relieved by Windle with Gurvich going in at the end. Altogether they gave up 27 hits, 8 walks and struck out 3. Pustak got a two-bagger and Smith a 3-bagger. Beynon scored the only run.

Teams:

General Motors—Ted Arney, Minor Simonson, Johnson, Lindsay, Davis, Pavlikis, Fitch, Gibson, Lambie. Parlett batted for Lindsay in the last inning.

99 Taxi—Houston, Pustak, Ratchford, Windle, Montesano, Calderoni, Dominato, Beynon, Smith, Gurvich.

Co-operatives Win Again

The men from the waterfront co-operated nicely to defeat the Grotto team by 12-7. Kellett allowed 14 hits and Moxley 13 hits but, where Kellett gave up no walks, Moxley walked 9. He struck out 6 while Kellett struck out 4.

Both teams went scoreless in the first two innings. Moxley did well to strike out Kellett with the bases loaded. Co-op scored 4 in their half of the third after Moxley had two men out and then walked 2. Nordgaard had 3 hits and 2 walks and scored 3 runs. Hewsick had 2 hits and 2 walks and scored 4 runs. Hewsick, Nordgaard and Edgar had a two-bagger each. Minienko brought off a nice catch in the outfield from Moxley's big drive. Bellis did his usual good job behind the plate.

For the Grotto Ralph Smith and Bruce Simonson each had 3 hits. Simonson scored twice. Dell, Moxley and Duncan each hit a two-bagger. The fielding feature of the evening was Ralph Smith's catch of a Texas-leaguer. He came in very fast, took the ball very low and held it. He well deserved the round of applause that followed. Duncan caught.

Teams:

Co-op—Bellis, Astoria, Hewsick, Nordgaard, Ward, Kellett, Minienko, Edgar, Murray.

Grotto—Bill, R. Smith, B. Simonson, Dell, Moxley, Holkestad, Duncan, Gomez, Kerr.

Boys' Wilful Damage Impedes Rebuilding

LONDON (CP) — Hooligans are endangering London's housing program by malicious damage, Magistrate Basil Henriques said in juvenile court as he bound over three 11-year-old boys who broke into a house, stole workmen's tools, drilled holes in the floors and upset containers of water and paraffin.

"Unless something is done quickly the whole housing position in London will be worse this winter than it was last," said a police inspector who gave evidence. "The damage seems to be work of organized gangs of hooligans."

He said the ministry of work has warned the police hundreds of houses in the course of erection had been damaged recently.

CLACTON-ON-SEA, England (CP) — Postman E. Clark has received £20 ($80) from the Admiralty for an "anti U-boat suggestion."

BERLIN REAL ESTATE SLOW

Uncertainty Over City's Future Puts Curb on Buying

BERLIN, (CP)—Nobody wants to buy ruins, inquiry agong Berlin real estate dealers reveals.

This fact somewhat surprised real estate brokers, who at first blush thought investors might want to acquire ruins cheaply, tear them down and rear new structures.

Investors, however, reasoned differently. First of all they don't know what is to be the position of mortagages on property now standing in ruins. Next, there is the question of whether real estate valuations will undergo a change in view of the unprecedented situation created by mass destruction of entire city sections through bomb and artillery action.

Take downtown Berlin, for instance. Real estate before the war naturally commanded top prices. But can the centre of the city which "has had it," ever be rebuilt? If so, will it again become the commercial centre or will it, as some city planners have it, be turned into a series of settlement projects? The uncertainty about the future of the city is putting a curb on speculative buying or purchase for investment.

On the other hand, anybody who has a roof over his house is anxious to hold onto his property. Hence, although countless would-be purchasers of homes are registered with real estate agents, properties are being offered for sale only by people who need cash badly or by heirs who have no use for the real estate.

Vacant lots, like ruins, are not wanted. One main reason is the dearth of building materials outside of bricks. Bricks are as plentiful as the sands on the sea.

Louis Amadio sailed this afternoon on the Catala for Vancouver, accompanied by his daughter, Louise. They took their car with them and will motor to Los Angeles to pick up Mr. Amadio's son, Victor, who is coming home with them for a visit.
