WHAT'S DOING AT PRINCE RUPERT RECREATION COUNCIL GYMS
BY JIM NAST

EDUCATION FOR LEISURE—Our education fails if we have not been trained for freedom. We need to be educated to use our leisure in such a way that it will furnish the deepest satisfaction to ourselves as well as leading to forms of conduct which are acceptable to the society in which we live. The Prince Rupert Civic Centre will provide an excellent medium for the enjoyment of healthy and constructive leisure-time activities. However it will also be necessary in the beginning to educate many of the younger people of the community to make use of the building and its equipment in the proper manner. A part of this instruction will be given by the Civic Centre staff and the Rup-Rec leaders but the

major part of the education which will create the proper attitude towards the use and care of this publicly owned building must come from the parents, the schools and the churches. On the basis of recent experience one must admit the necessity of education for leisure.

SPIC AND SPAN—The Y.M.C.A. building has been closed for cleaning and polishing in preparation for the official opening of the Civic Centre on March 3. The Rup-Rec classes will, however, continue as scheduled tonight.

THE RUP-REC SHOW—The Rup-Rec show scheduled for March 8 is being polished up as well and recent rehearsals of music, dancing, singing and gymnastics make it appear that this will be an event worth seeing.

CHANGE OF SCHEDULE—The Junior Boys class previously held at the Conrad Street School will be cancelled this evening to be combined with the St. Peter's junior group. This joint class will be conducted at the St. Peter's Community Hall at Seal Cove and all boys between the ages of 6 and 12 are invited to attend at 7:30 p.m.

WHAT'S ON TONIGHT?—Y.M.C.A.—Junior Girls, 6-7; Junior Boys, 7-8; Intermediate Boys, 8-9.
St. Peter's Community Hall—Junior Boys 7:30-8:30.
Seal Cove School—Intermediate Boys boxing, 7:30-9.
I.O.D.E. Hall—Ladies class, 8-9:30.

MADRAS HIGHWAY PLANS SAIDAPET, Madras—H. R. Dogra, chief engineer for communications, told students of the Engineering College, Guindy that the Madras government has a scheme for constructing 56,000 miles of roads to connect all villages in the province with populations of more than 500.

LAUNCETON, Tasmania—Cut off from the rest of the world because their radio didn't work and no ship had called for several months, a man and his family living off the north coast of Tasmania did not hear until the middle of November that the war was over.

SIX WEEKS OLD, JUNIOR SHOWS TARZAN-LIKE QUALITIES—Although he is only six weeks old, Raymond Aichner, Jr., of Tarrytown, N.Y., has distinct leanings towards a Tarzanesque career. He will wrap his chubby fists around a stick and hang on, supporting his whole weight when the stick is raised. Or, as you see here, he will make a trapeze of his father's thumbs. Raymond weighed seven pounds three ounces at birth. We don't know what Johnny Weismuller weighed.
