ally, are those which the city believes it purchased as part the "complete installation" the booster pumps which it bought from Way Assets recenty, while Highway Construction Co. apparently feels that they were included in the sale of the Cy Peck army camp which it bought several weeks ago.

Since the poles are needed to late owner, Charles Combe. carry power to the booster pumps, the aldermen felt that they should take them over as quickly as possible. Thus the city gets the Pioneers' Home barracks and the power poles

City Engineer Phillips said he did not think that he would have any trouble cleaning up the Sixth Avenue camp site after the other buildings were demolished by Highway Construction Co.

"A lot of the neighbors in that district will want fire wood," he said. "What is left can be moved
