Local Labor-Progressive Club Backing Up Industrial Relations Committee

Continuing its activity in supin telling the security council port of the local industrial relations committee in its campaign for sustained shipbuilding activity at the local dry dock. the Prince Rupert Labor-Progressive Club has sent the following wire to R. C. Vaughan. president of Canadian National Railways:

"The citizens of this community are seriously disturbed by the lack of policy expressed in your letter regarding the continued operation of the Prince Rupert dry dock in the postwar period.

"This question is the determining factor in the postwar development and prosperity of Prince Rupert and we urge therefore that the C.N.R. make its decision in this matter known as soon as possible in view of its extreme urgency."

Glasgow Dockers Had Big War Role

GLASGOW, Scotland, (P) Glasgow dock workers not only handled huge supplies of ammunition and food here and in other ports during the war, but trained soldiers in handling dock gear and mechanical appliances in preparation for invasion operations, says a report published by the Scottish Transport and General Workers' Union.

The dockers took part in a Top Union Officials in Canada mass exercise in which an army State This As Their Objective was embarked as if a concentrated air raid were in progress. HAMILTON ()-Top union ofwhile experts watched to detect ficials representing 125,000 Canadian workers are said to be any flaw in the operation.

Despite large quantities of agreed on a program of increasammunition handled, the only serious accident was a shell explosion which injured two men. ton in a week-end conference the report said. BRITISH MINISTER VISITS CANADA-Right Hon. Herbert Morrison, lord president of the council in Britain's Labor government, as he arrived in Toronto, Ont., during his visit to Canada.

Bulletins

STRIKES CONTINUE

WASHINGTON - The major strikes in American steel, automobile, meat and electrical plants are continuing with no settlement yet indicated. New walkouts which are threatened may add to the current total of 1.380,000 idle in labor disputes throughout the United States.

SEAMEN WIN OUT

HALIFAX - Thirteen British seamen who walked off their ship at its dock in Halifax Friday have agreed to return to their jobs. The men were part of the crew of the British freighter Manchester Division and they declared at the time that they would rather go to jail than tolerate their living quarters on the vessel. Now the dispute has been settled. Improvements have been made.

ELIZABETH DOCKS

NEW YORK-The liner Queen Elizabeth decked at New York today with more than 12,000 Canadian servicemen aboard Fifteen special troop trains were waiting at the dock to speed the men to their homes.

ARABS PROTESTING

PALESTINE-Great Britain's policy in the Holy Land is being attacked by the Arab Front. The Frent plans to call a general strike throughout Egypt within a few days. The Front says this will support a protest by Palestine Arabs against British action in permitting 1500 Jews to enter the Holy Land every month.

CHILEAN COMPROMISE

SANTIAGO-The new Chilean cabinet has attempted to avert a general strike in Chile by returning legar status to two striking nitrate unions. However, there was no immediate announcement by organized labor giving its decisien on the projected walkout. The work stoppage was scheduled to begin tomorrow morn-

SYRIA-LEBANON DEMAND LONDON - It was learned here today that Syria and Lebanon were demanding that British and French troops be withdrawn.

TALK WORLD POLICING LONDON-Chiefs of staff of United Nations met for the first time today to discuss methods of world policing.

ACQUITANIA TONIGHT HALIFAX - The troopship Acquitania, with 6,400 returning Canadian ex-service men on board, has been further delayed in arriving by rough weather on the Atlantic and will not be in before midnight tonight.

FIGHTING IN JAVA

BATAVIA- There has been heavy fighting in the Socrabaja sector of eastern Java. Six British soldiers were killed and others wounded. The casualties were caused by Indonesian mines, booby traps and snipers.

BIG BLAST DELAYED

CALGARY - Explosion of 5,000 quarts of nitro-glycerine, scheduled to be set off at the west flank of Well No. 2 in Turner Valley Saturday, has been further improved and may go off this afternoon. Loading of the nitro was completed Saturday and officials postponed the setting off four times Sunday and again this morning.

VIOLENT DEATHS VICTORIA-There were 120 deaths in traffic accidents in British Columbia in 1945 as compared with 134 in 1944. Deaths by fire in 1945 were 27 as compared with 16 in 1944.

TRY TO SETTLE STRIKE WASHINGTON - President Truman today resumed efforts to settle the steel strike. He had conferences with the Secretary of Labor and Philip Murray, president of the Steel workers.

TUGBOAT WORKERS CUT

NEW YORK-A strike of New York Harber tugboat workers is under way. Originally scheduled to start one minute after midnight, the walkout actually started a few minutes after 11 last night. At that time, 16 tugboats of a fleet of 30 operated by the MacAllister Lighterage Lines, were tied up in Brooklyn and at Bayonne, New Jer-

FIND NATIVE'S BODY FLOATING IN COW BAY

The body of a middle-aged man identified later this morning as that of Steven Shepherd, a native of Port Simpson, was LONG CRUISE found floating in the harbor near the Cow Bay Floats at 3:40 a.m. today by a native youth who called the city police. No signs FOR UGANDA called the city police. No signs of violence were indicated, police said.

The body was discovered floating face downward in the water near the Cow Bay floats by Albert Brooks, age 19, of Port Essington, who is living at 646 Ful ton Street while in the city. Brooks was unable to identify the body at the time it was re- Halifax by way of Cape Horn. moved from the water but at the Navy announced today. 10 o'clock this morning said he believed it to be that of Steven Shepherd, Port Simpson fisher-

Difficulties but Newspaper Dispatch Suggests Settlement May be Soon In spite of advice received by

the highway committee of the Prince Rupert Chamber of Commerce from Premier John Hart at Ottawa that the question of NUERNBERG - The United the northern transprovincial States Army has strengthened the military guard around the highway had been discussed at length at Ottawa but that "the Nuernberg courtroom. This was matter presents some serious complications which require considerable study, the following dispatch from Victoria has appeared in the Vancouver Sun: The 97-mile highway from

Terrace to Prince Rupert, completed by the federal government as a war measure, may soon be turned over to the province to operate as a provincial highway. Chief stickler to date has been that 26 miles of the road from Amsbury to Tyee runs along the C.N.R. right-of-way and is thus under the railway's control. The C.N.R. holds title to the land. Reports reaching here indicate

the C.N.R. is prepared to make a deal with the government to surrender title. This would clear the way for

Ottawa to hand the road over to the province, since me federal government has no interest in maintaining roads in the prov-

snow. Residents of both the Prince Rupert and Terrace area, and other northern points are pressing the government for action. They believe the road could be kept open as an all-year highway, but the provincial public works department will have to bear the cost.

The road is a present closed by
