# HOUSE FAVORS BREAD RATION

Motion of Former Prime Minister Churchill to Reject It Voted Down Yesterday

LONDON, (P)-After an upcoarious debate yesterday, the couse of Commons voted down a motion of Former Premier Winston Churchill to reject the government's bread rationing plan in Britain. The division was 305 to agree to his recommendation

for joint negotiations instead of During the debate, Willie Galseparate negotiations with each lacher, Communist member for Glasgow, charged that the Conservatives had incited the Labor government to institute bread rationing. The suggestion was vigorously denied by Churchill. LONDON - A new four-year Mr. Churchill reminded the

House that the government had not found it necessary to impose The Canadian Wheat Board will bread rationing during the war. Food Minister John Strachey said that, if bakers failed to cooperate in putting bread rationing into effect, they might find

their supplies of flour cut off. Meanwhile, as the government stood fast for bread rationing, signs grew of a break-up of the threatened widescread revolt of bakers against the government ROME ()—Transporting 106,000 men of the Polish Second Corps plan to conserve wheat which is a former Depart- to Britain should be completed scheduled to go into effect on

QUEENS OF STEWART—Our pictures contre around the recent Dominion Day Queen crowning ceremony at Stewart when Miss Kay Thompson and Miss Isabelle McLeod, having tied for the honor, were jointly crowned with W. R. Tooth, chairman of the board of village commissioners, doing the honors. The upper picture shows the regal group on the steps of the Stewart Court House where the crowning took place. The two charming Queens are seen in their beautiful gowns and with their handsome bouquets in the middle picture. Below is seen the Dominion Day procession on the main street of Stewart. The presence of laden pack horses gave a novel touch, floats and decorated cars also taking part.

# Minister of Finance Tells Why Taxation Relief Must be

Deferred-Want of Confidence

Motion Rejected

OTTAWA (P)—Finance Minister J. L. Ilsley told, the House of Commons yesterday that there were several reasons for making tax changes in the budget effective only from January 1, 1947, and added that greater relief could not be granted without increasing the deficit on the

year's operation. The House voted 135 to 37 against a C.C.F. motion of want of confidence in the government after hearing Mr. Ilsley defend his budget. A similar Progressive-Conservative motion, however, brought on another budget

Mr. Ilsley denied that the government was weilding the big stick in its new financial proposals to the provinces. He charged that Progressive-Conservatives called for reduction of expenditures without pinning their criticism to specific items.

## STRONG ARMED FORCE NEEDED

WASHINGTON-Senator Tom Connolly told the Senate foreign relations committee today that it was essential for the safety of the world that United States maintain powerful armed forces. All aggression, including that of Russia, must be opposed.

# OF LYING

That Is Charge of Union Against Company in Steel

Strike at Hamilton HAMILTON (P)-That the Steel Company of Canada is conducting a "campaign of lies" aimed at getting military intervention in the strike was the charge made by the steel union after the company had issued a statement accusing union pickets of entering the property and dam-

aging parked automobiles. The statement said that food supplies are ample for men remaining in the beleaguered plant, officials stated that airplane service which has been used to take supplies into its plant have been expanded.

The union today built up its picket lines around the huge

## THE WEATHER

Synopsis

Summer weather at last prevails over British Columbia except for the Queen Charlotte and north coast area where cloudy skies with rain continue to persist. The clear skies of yesterday resulted in higher temperatures generally with 93 at Lytton, 88 at Kamloops, 75 at Victoria and 79 at Abbotsford. Island and interior British Columbia continues to strengthen with the prospect of clear and slightly warmer weather for the week-end. The onshore flow of moist air over the Queen Char-FERNIE-Tom Uphill, vet- lottes will continue today but improving conditions are expect-
