## Jacobs Now

One Fight After Another-Aftermath of Heavyweight Title Bout

WASHINGTON, D.C., (CP)-Representative Donald L. O'Toole of Brooklyn, calling the Louis-Conn fight of Wednesday night a "national fraud and scandal" and asking for SHORT SPORT an investigation of the bout, said the "whole fight set-up in New York is false."

Promoter Mike Jacobs replied that O'Toole was "hollering" because he was refused free tickets.

Later O'Toole said he would sue Jacobs for \$100,000 damage for the remark about tickets.

### Aluminum Canoe Is Collapsible

A 75-lb aluminum canoe which divides into two sections for airplanes or other transport, has been put on the market. The canoe comes apart about halfand one section fits snugly in- son. side the other for carrying. A simple bolting device assembles the craft.

BECAUSE THEY'RE BUILT IN A COMPLETELY NEW WAY They are made of a new kind of rubber, developed by B. F. Goodrich. Because of this, they run cooler and they wear longer. A newly designed tire body permits the use of better cords and more of them. This gives the new Silvertowns 35% greater body strength . . . greater resistance to bruising. Both the Life-Saver Silvertown with its famous quickstopping, windshield-wiper action tread; and the 'L.D. Silvertown, with its quiet-running circumferential bars, embody all the new longer-mileage features. They are the greatest mileage tires of all time . . . built by B. F. Goodrich, makers of over 32,000 articles of rubber, including footwear and industrial rubber products.
