States will be speeded up July 1 told the council that he believes service from Toronto to Chicago, it is announced today by M. J. of tourists here by highway in Symington, C.M.G., K.C., president of the line. Douglas airthe Toronto-Chicago flights will Montreal service.

Action By Minister of Labor

to Get Vital Traffic Moving

Again in View of Strike

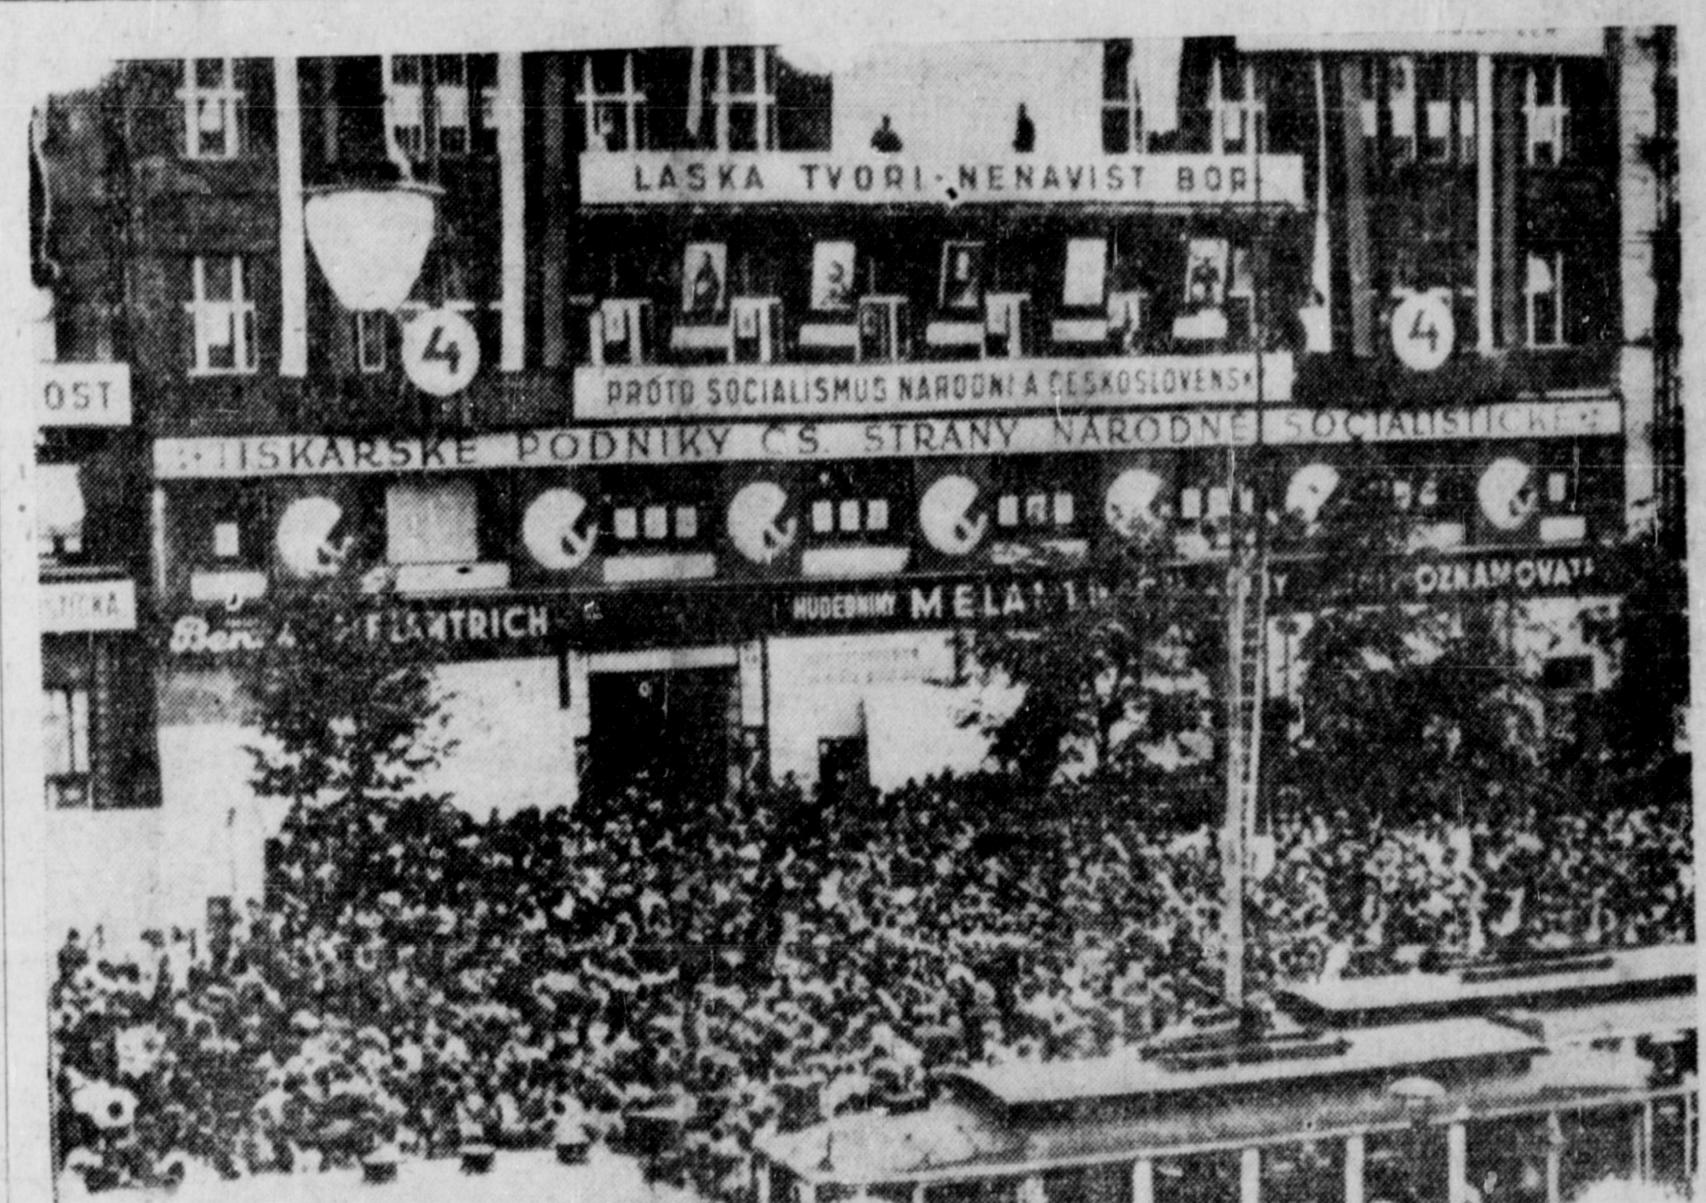

The new Toronto-Chicago service will be the first step in TransCanada's large expansion program for 1946, which includes the operation of 24 additional large standard airiiners. Later in the month of July, the company will put thrice daily schedules into operation between Toronto and Cleveland. Service will be provided later in the summer between Victoria and Seattle, between Port Arthur and Duluth and between Halifax and Boston. TransCanada has been flying between Toronto and New York for more than five years and that service is to be continued

a speed of 200 miles an hour. The planes are fitted with radio equipment designed to take advantage of navigation aids developed during the war.

rewfoundland Is Voting

DOUBLE CZECH-ING THE VOTE-In the huge general elections held in an atmosphere of high political fever, the four major parties of Prague, CzechoSlovakia, gathered their minions to watch the result of the voting. Loud speakers were installed in the streets of Prague amidst the flags and banners bearing the party slogans. The voting was compulsory. When the smoke lifted the Left was four seats to the good and the Communists emerged as the strongest of the political parties.
