General Motors Disappointed at Interior Town to Find No Opposition

General Motors, leading fastball team of the city, made a journey to Terrace Sunday on the understanding that a game had been arranged with a team from the "bread basket of Prince Rupert." Apparently there was some misunderstanding as no team was ready and no game was played.

The Republican Party's platform during the last election in the United States stated: "It is imperative to the maintenance of a free America that the press be free."
