MOOSE PICNIC AT PORT EDWARD

More than 150 members of the Moose Lodge and their friends attended a picnic held by the organization at Port Edward Sunday, enjoying games and refreshments during the pleasant afternoon.

The picnic was arranged by a committee headed by Harold Hampton, and featured races and games for children and adults. The fact that woman's place is on the fastball field was definitely established when the Women of the Moose defeated the men by a score of 12 to 1.

Capt. Biasiolli of United States Army Heads for Arctic Again

THE PAS, Man. — A veteran missionary at 32 years of age, a man who has served his country in the Aleutians and on Okinawa, Captain Robert J. Biasiolli, of San Antonio, Texas, is on his way to Churchill to find out if he will be going back to his lonesome job in the Arctic when his United States Army service ends next summer.

A missionary since 1938, he has been in the U.S. Army chaplaincy service since 1942 and his purpose in going to Churchill on a Canadian National Railways excursion train is to visit the head of his diocese, Bishop Lacroix.

Bishop Lacroix's headquarters is at Iglooik, 200 miles in the Arctic Circle, and Captain Biasiolli does not believe he will meet him at Churchill but he thinks it will be easier to get word to him from Churchill than from the outside.

A post-graduate of the Catholic University at Washington, D.C., Capt. Biasiolli has served his church as a missionary from 1938 to his enlistment in 1942. All his mission work has been among the Eskimos of the eastern Arctic regions. His headquarters was at Iglooik. His territory covered 600 miles bordering on Baffin Land, inside the upper section of Fox Basin. Except for Christmas and Easter when they would journey to Iglooik, he would be on the trail practically all the time visiting his 325 adherents.

When he received his orders to report to the Army in 1942, he left Iglooik in February by dog team and reached Churchill the following May.

With the Army he served as chaplain on the Aleutians, Okinawa, in the Shanghai area and in Japan. He returned from Japan this month, remembered the pre-war C.N.R. excursions to Churchill occurred about the time and was able to get a reservation to make the trip in comfort along with nearly 250 American vacationists.

Capt. Biasiolli said he likes the "independence" of the far north and he was hopeful that his bishop would order his return.

OLD LANDMARK IS RENAMED "MOOSE TEMPLE"

Recently purchased by the Loyal Order of Moose, the historic building known as the Old Landmark, situated on a rock cliff on Second Avenue, has been re-named "Moose Temple" by the organization. Decision to change the name of the building was made at a meeting of the lodge last night. Among the earliest structures to be built in the city, the Moose Temple was recently purchased from the city by the Moose Lodge. During its time it has been used as a restaurant, officer's mess and, prior to that, housed the Prince Rupert Club.

Messenger Service, Spiro Gurvich, Union Steamship Co. and many others. I desire to express personal appreciation also to all those who contributed.
