### TERRACE BOARD WINS INTEREST

Larger Meeting Place Required -To Donate Books to School Library

TERRACE - Terrace and District Board of Trade has changed the place of meeting since the attendances have become somewhat larger and it was found that a larger room would be better. The meetings are now being held in the Oddfellows' Hall.

There was a fair attendance under the chairmanship of Pres- 200 tons of tungsten-lead conident J. H. Smith at the meet- centrates from the Riverside ing this month. Perhaps the mine near Stewart consigned to most interesting item on the Tacoma smelter, C.P.R. freighter agenda was a circular from the Nootka arrived in port at 3 Canadian Chamber of Commerce o'clock yesterday afternoon from which sought to create a more the north and will be here until informed public opinion with re- tomorrow loading War Assets gard to affairs of national con- Corporation goods for Vancoucorn. METHODISTS GAIN ISLAM PRINCESS-The divorce of Emil Mohammed Al Raschid, II, who claims to be heir to the Turkish throne, and his wife, the former Marcella Whiting, a Marshailown, Iowa, telephone operator (shown in happier days), was notice to 221,000,000 Moslems that they will have to get along vithout their 17-month-old queen, daughter of the couple. The decree awarded Princess Pareshah custody of the baby, \$60 monthly support from the prince and the right to call their baby daughter Susan instead of Hubria, and raise her as a Methodist, not a Mohammedan. The prince said he was horrified and that the Moslems would be, too. His wife's attorneys ntimated that he "dreamed his royal connections" up while working as a pants presser in a London tailor shop. The prince indignantly denied this.
