### Start Gold Rush KALGOORLIE, Australia,

Aussie Brothers

This western Australia town is having its first real gold rush since the war started. The rush has followed a rich strike a few weeks ago by two brothers named Hill. The Hills, inventors of a mobile-boring machine, took their gadget to the Kawnowna field. They put down two bores close to mines thought to have been worked out at Exeter and and coarse gold. The two have Laundry-on McBride Street. now pegged out claims over about two miles of virtually vir- High School in Saxony, finishing gin ground in the vicinity.

IN RUPERT Mr. and Mrs. Hugo Kraupner Are Celebrating Anniversary

TEN YEARS

Mr. and Mrs. Hugo Kraupner are today celebrating their tenth anniversary as citizens of Prince Rupert. Mr. and Mrs. Kraupner have a record of 20 years in the White Feather. One of the bro- | laundry and dry cleaning busithers, H. J. Hill, tested the old ness in Canada-ten years in reefs by boring 62 feet. They Prince Rupert. They were seven then sank a shaft to 12 feet and years with Pioneer Canadian Laundries and now have their wide which showed both fine own plant-Ideal Cleaners and

others make large mounds cov-

## Porous Soil Cover Needed To Insure Seedling Growth

Petunias and zinnias are the double petunias was first discovmost popular flower in America ered by the Japanese, and until today. They have come to the the war the only all-double seed front in the last 20 years, dis- came from that country. Now placing the former leaders, the method is known in this which were nasturtiums and country, and many all-double sweet peas.

Each of the popular leaders | Most widely planted petunias has outstanding merits, that of are the small flowered singles, the petunia being profuseness in many tones of red, pink lavand long season of bloom, ender and blue-purple. There are Though so slow to begin that no really yello wpetunias, though seed is usually sown early under some varieties have a tinge of protection, the petunia never cream. Some small flowered stops blooming until frost kills singles are very dwarf in habit, the plant.

Unlike other annuals, petunias | ered with blossoms. Some large do not seem to mind failure to pick off faded flowers. Where many annuals stop blooming, once they have begun to mature seed, the petunia keeps right on; which may be due to the fact that a great percentage of its flowers make no seed.

Double petunias never bear seed; pollen from them must be carried to single flowers and seed from the usual cross produces both double and single plants. But all-double petunias. grown by a method which still is secret, have now been produced, and one of them, All-double Colossal Shades of Rose, won in the All-America trials for 1946.

The secret of breeding all-

## Announcement...

Having disposed of my Real Estate and Insurance business, I wish to thank all my clients for their loval support. Mr. Allan Armstrong, who is well and fav. orably known in the city, is taking the business over commencing March 1st, and I trust that the same cordial relationship which I have enjoyed shall be extended to him.

MRS. J. M. McCLYMONT.

It is a pleasure to announce that I shall have an opports. nity to serve Mrs. McClymont's clients as well and faithfully as she has in the past. We shall do our utmost to assist the people of this city with their real estate and insurance problems and sincerely appreciate the confidence and trust placed in us by the present patrons.
