

# QUEEN MARY CHAPTER HEARS WORK REPORTS

Queen Mary Chapter I.O.D.E. heard committee reports at its regular monthly meeting Wednesday night outlining the chapter's activities in collecting clothing for British and Polish war relief, the dispatch of personal property bags to British service women and the donation of personal Christmas parcels to residents of the local Pioneers' Home.

The meeting was held at the home of Mrs. E. V. Whiting and the Regent, Mrs. J. A. Teng, was chairman.

Reporting in behalf of the relief committee, Mrs. J. Laurie reported that three large boxes of clothing valued at \$220 had been sent to Britain for British and Polish relief purposes.

Committee Chairman Mrs. J. Carr told the meeting that special thanks were due to Ideal Cleaners for dry-cleaning the relief clothing articles sent abroad. The work, she said, had been done free of charge, and merited the warm thanks of the chapter.

Mrs. J. M. Taylor reported that her committee has prepared 60 personal property bags, containing attractive and useful ar-

ticles, and sent them to Britain as Christmas gifts to women in the Auxiliary Territorial Service, a branch of the British Army.

Special Christmas parcels had been sent by her committee to residents of the Pioneers' Home and to other residents who would appreciate them, Mrs. J. Stewart reported to the meeting. The parcels were packed tastefully and contained a variety of articles.

The meeting received greetings from Mrs. Dorothy Garbutt, now in Winnipeg, formerly Y.W.C.A. hostess here and a member of the chapter. The season's greetings were also received from Mrs. Roulette, formerly United States Red Cross director at Port Edward. Mrs. Roulette is now on her way to Manila.

The meeting decided to change the regular meeting nights of the chapter from the first Wednesday of the month to the second Tuesday of the month. The next meeting, on February 12, will elect officers for 1946.

### HOW CAN I ???

By ANNE ASHLEY

Q. How can I remove iodine stains from fabric?

A. Wet some corn starch in milk and cover the stain. Repeat if necessary, but allow it to remain until the stain is gone. If the stain is on wood, allow it to stand for about a minute, then rub with a cloth until the stain is removed.

Q. How can I prevent stubborn window sashes?

A. Rub the cords of the windows that are hard to open with soft soap, and the sashes will run smoothly.

Q. How can I iron linens successfully?

A. Iron linens lengthwise instead of across. Many bulges and little puckers will be the result if ironed across.
