

But for Textiles...

WEAR AND WATER pressure would soon render your garden hose completely useless if the rubber were not reinforced with rugged tightly-woven cotton fabric.

This is just one example from thousands to show how the cotton fabrics produced by Dominion Textile workers serve Canada's peace-time needs. You walk on cotton in the linings of your shoes and rubbers, and in the backing of your carpets. You sleep on cotton in sheets, pillow cases, pajamas and mattress coverings. You ride on cotton in your auto tires. You dress in cotton in your shirts, coat linings, dresses, underwear.

It is a good thing for Canada that these textile goods so widely needed are made in this country by our own Canadian industry. We do not have to depend upon imports from foreign sources for these essentials of daily living.

Dominion Textile workers are now busy turning out the many things that are so badly needed for our peacetime living. As long as the present tremendous demands and relative shortages exist, we shall go on distributing our production on a quota basis, playing no favorites.

CITIZENSHIP BILL THROUGH

Given Second Reading in Parliament Without Recorded Division

OTTAWA, ©.—The government's citizenship bill was given second reading without a recorded vote in the House of Commons last night. The bill, sponsored by State Secretary Paul Martin, is aimed at consolidating out-dated acts dealing with naturalization and citizenship and at defining more clearly citizenship.

Under the bill British people will have to have five years' residence before becoming Canadian citizens.

WHAT'S DOING AT PRINCE RUPERT RECREATION COUNCIL GYMS BY JIM NAST

H.M.C.S. CRESCENT

The Civic Centre will play a large part in the entertainment program arranged for the ship's company of H.M.C.S. Crescent. On Thursday night there will be a welcome to - Prince Rupert dance, to the music of the De Carlo's Orchestra in the spacious auditorium at the centre with the Khatada Girls' Auxiliary supplying hostesses. The public is expected to support this dance as each person's individual gesture of goodwill towards the visitors and also because it should be one of the highlights of the city's spring social season. It starts at 10 p.m.

BASKETBALL

Friday night there is another big event in the history of the new centre. The long awaited basketball challenge game between the Rotarian "Raindrops" and the Gyro "Fire-eaters" is to climax Friday evening's sports card in the Centre gym. Preceding this battle of the titans will be Royal Roads Cadets (H.M.C.S. Crescent) vs. Prince Rupert High School and Midshipmen (H.M.C.S. Crescent) vs. Macey's. These games should provide fast and exciting ball and it will be interesting to see the showing of the local teams against this outside talent. The games start at 7:30 p.m.

N.F.B. SHOWING TONIGHT

"Story With Two Endings," this picture shows the ending of World War I, with the return of the veterans; the inflation, rise in the stock market; and the climactic crash of 1929, followed by the "hungry 30's." This is contrasted with the end of World War II showing the steps taken to try to prevent the same fatal inflation with its resultant dangers of depression. "Flight No. 6," the second film, is the story of a secret document being carried across Canada, via airmail, its transatlantic trip, and its final destination in England. These educational films are

DREAM of School Days--

"Means a Difficult Undertaking"

SO the saying goes! But dream-filled sleep more likely means upset nerves and digestion. And for many people, that's the result of caffeine in tea and coffee.

Are you bothered by the caffeine in tea and coffee? Try Postum instead! Postum is free of caffeine or any other drug—can't possibly affect heart or nerves or digestion. And Postum is so easy to make, right in the cup, just by adding boiling water or hot milk. Costs less than 1¢ a serving. Get the good Postum habit!

CATHEDRAL CHIMES IN MEMORY OF LATE ROBERT L. McINTOSH

In reverential memory of the late Robert L. McIntosh, who was the people's warden for no less than thirty-seven years from 1906 to 1943, twenty-one chimes will soon commence pealing regularly from St. Andrew's Anglican Cathedral here. The chimes are being installed by the widow as a memorial to her husband and the work is now in progress. By the second Sunday in May it is expected they will be ready for dedication by the Bishop, Rt. Rev. James B. Gibson DD.

The chimes themselves are in the chambers of the organ of the Cathedral. With the use of 50 watts of power, they are amplified and transmitted to a temporary housing structure on the top of the cathedral whence their notes will be broadcast. If present plans materialize, a chime tower will later be installed in memory of the late Bishop G. A. Rix.

The chimes here are similar to those of Holy Trinity Church in Edmonton.
