TAXI CONTROL BYLAW IS READ

"Pirate" Cab Driver to Be Eliminated

City council's answer to the appeals of taxi operators whose protests against their less crupulous cab-driving competitors have echoed piteously through the City Hall chambers for weeks was brought down last night in the form of a bylaw to put all taxi-men under rigid city con-

Primarily, it will eliminate the pirate" cab driver who in the past has allegedly been using his competitors' recognized taxi stands as a source of fares, thus undermining the business of men having recognized taxi busi-

Despite the fact that these 10:55-CBC News and Int. 'pirates" had only a car, they 11:00-Weather and Fisheries ould operate a taxi business, whole or part-time, merely by 11:05-Silent paying the city \$5 for a trade license. The new bylaw makes some changes.

With the exception of Third Avenue it allows taxi-men to claim exclusive parking rights in front of their stands, and forbids any driver or operator to use any public place within the city as a stand other than that expressly designated on his license.

While the bylaw does not allow exclusive parking rights on 10:30-Roundup Time Third Avenue, it does protect the 10:45-Women's Forum taxi operators with stands on hat street by forbidding other drivers to park only at their own recognized parking places. Thus it eliminates the possibility of a continuance of "piracy."

The bylaw also makes it compulsory for taxi operators to carry public liability insurance of \$5,000 for one passenger and \$10,000 for two passengers. While mod responsible taximen already carry such insurance, some

Cancellation of revocation of such an insurance policy automatically suspends the license of the vehicle which will not be renewed until the insurance is put back into effect.

City taxi operators, many of whom viewed the bylaw prior to its first reading in council last night, expressed themselves as favoring its regulations. The bylaw becomes effective July 15. A special meeting of city council has been called for Wednesday to give final reading to the legislation.
