TWO GAMES OF FASTBALL

Co-op Wins From Bo-Me-Hi And Reserve Army From Grotto Team

A doubleheader in the city fastball league was played last evening at Gyro Ball Park with Co-op winning from Bo-Me-Hi by 11-5 and the young Reserve Army winning from Grotto by 6-5.

In the Co-op vs. Bo-Me-Hi the waterfront team had too much experience and power for the students with Kellett, the Co-op pitcher, having too many tricks in the bag for the younger team. He struck out eight. Bellis, behind the plate, was also good, his throwing to second base being very accurate. Runs for the Co-op were scored by Peterson with 3, Nordgaard and Kellett getting two each and Bellis, Smith, Ward and Hewsick 1 each. Peterson must have established a record of some kind when he was walked each of the four times he was at bat. Hensick hit 2 three-baggers, Bellis hit 2 two-baggers and Nordgaard and Ward one two-bagger each.

Bo-Me-Hi showed lack of experience and, being without a coach, were further handicapped. Their fielding was good with Lavigne bringing off a double play, taking a difficult catch in the outfield and making a good throw to first to double the player there. His home run was the big feature of the game. Others who scored were Ciccone, Forman, Wesch and Holkestad. Wesch pitched a fair game and James was behind the plate.

Teams:

Co-op—Bellis, Smith, Astorfa, Nordgaard, Ward, Kellett, Newsick, Peterson, Mintenko.

Bo-Me-Hi—Scherk, Lavigne, Ciccone, Hartwig, Forbes, Forman, James, Wesch and R. Holkestad.

Scores:

Co-op	232 030 1—11
Bo-Me-Hi	001 300 1— 5

Last Inning Rally Wins for Reserves

The young Reserve Army fastball team came through in the last inning to score 4 runs and eke out a 6-5 win over the Grotto team.

Pallister and Watmough were the battery for the soldiers with Pallister striking out six of the opposition. Runs were scored by Kurulok, Acheson, Warren, Pallister, Shier and Basso. A great deal of credit is due Watmough for his handling of his young players and his coaching and encouraging of them should pay big dividends in the future. They handled all their chances without a slip.

Moxley and Kerr were the battery for the Grotto. Moxley struck out 2. The wet ball was hard to control. Runs were scored by Helgerson with 2, Simonson, Kerr and Duncan with one each. Moxley got to third base twice but was not able to get home.

Teams:

Reserve Army — Watmough, Kurulok, Acheson, Warren, Pallister, Shier, Currie, Basso and Mostad.

Grotto—Simonson, Kerr, Moxley, Dell, Gomez, Holkestad, Duncan, Helgerson and Feller.

Scores:

Reserve Army	002 04—6
Grotto	120 20—5

Umpires for the games were Dell, Shroeder and Joe Davis.

FIGHT FILMS GOOD RECORD

Louis-Conn Title Bout is Clearly Visualized on Capitol Screen

That Billy Conn was indeed no match for World Champion Joe Louis is clearly shown in the title fight pictures which were presented at the Capitol Theatre last night and are being repeated tonight and tomorrow. The film gives an exceptionally clear visual record of the action (or lack of it) from the first round, in which the challenger did some vicious jabbing, through the intervening rounds in which he kept dancing out of the way, the sixth in which he was sent momentarily to his knees and, then in the fatal eighth, when he went crashing to the canvas with the hard left to the chin and the right haymaker. It was quite apparent that Conn proved no worry to Louis at any stage of the game, the champion, as a matter of fact, making little, if any, effort to keep out of his way.

HONORS FOR BIG WAR JOB WON BY C.N.R. MEN

For their part in Canada's war effort, twenty-five members of the Canadian National Railways staff were included in the King's Dominion Day honors list. Each one had either assisted directly in the war while on loan from the company's service or had taken a prominent part in the big task of moving hundreds of millions of tons of war materials and supplies and hundreds of thousands of troops over the C.N.R.

The highest award given by His Majesty, Companionships in the Order of St. Michael and St. George (C.M.G.), went to R. C. Vaughan, chairman and president of the C.N.R. System, and to S. J. Hungerford, who retired as president of the C.N.R. in 1941 to assume the responsibilities of president of National Railways Munitions Limited, producer of nearly 5,000 naval guns and pieces of war equipment. Mr. Vaughan organized the Defence Purchasing Board for the Dominion Government just before the declaration of war.

Walter S. Thompson, director of public relations for the system, who handled the press, radio and photographic arrangements for the month-long, 10,000-mile tour of Canada and the United States of Their Majesties, the King and Queen, in 1939, was named a Commander of the Order of the British Empire (C.B.E.) for his work in organizing the wartime Department of Censorship and the Department of Public Information for the Canadian Government. Maynard A. Metcalf, executive assistant, C.N.R., was also honored with a C.B.E.

For their war work eight C.N.R. men were made Officers of the Order of the British Empire (O.B.E.). They were W. M. Armstrong, general manager, Canadian National Telegraphs; R. B. Teakle, retired general manager, C.N.S.S.; John Roberts, who was managing director, National Railways Munitions Limited; John Schofield, chief architect, who did valuable war work for the Department of Transport, Department of Munitions and Supply, the British Ministry of Aircraft Production and the Royal Air Force Ferry Command; L. C. Thomson, manager of stores, who served as deputy chief, naval equipment and supply, Department of National Defence, during the war; G. L. Bryson, passenger traffic manager, C.N.-G.T.R.; and W. D. Low and W. J. Atkinson, of the purchasing department, who were loaned to the Department of Munitions and Supply.

Memberships in the Order of the British Empire (M.B.E.) were given to Col. F. F. Clarke, D.S.O., V.D., retired chief land surveyor and property commissioner, C.N.R., who assisted in the acquisition of sites for airfields, munitions plants and other war projects for the Dominion Government; R. W. Long, retired general freight traffic manager; D. J. O. Meyers, customs agent; W. B. Gordon, superintendent of reclamation; and William Cunningham and Leonard L. Price, of the purchasing department, who were loaned to the Department of Munitions and Supply.

Two other members of the purchasing department whose services were loaned to the Canadian Government were awarded the British Empire Medal (B.E.M.). They were C. B. Doheney and C. E. W. Morshead.

Five Canadian National Railways employees on leave of absence were also honored by His Majesty. H. B. Chase and A. R. Mosher both received the C.B.E. and Joseph Corbett, Frank H. Gillespie and John S. McNabb were made M.B.E's

SHORT SPORT

Bobby Jones of Atlanta, Ga., one og the world's greatest golfers, scored his second successive British open triumph at St. Andrew's, Scotland, 17 years ago yesterday. Never once above par over the 72-hole route, Jones posted 285, breaking the course record of 291 which had stood since 1908.

Jack Delaney, French-Canadian lightheavyweight boxer, went to the top of the division 20 years ago today with a 15-round decision over Champion Paul Berlenbach. Delaney resigned his title in 1927 to enter the heavyweight class.

LOTS OF RABBITS

INVERCARGILL, N.Z., (CP) — Rabbiters in Southland, in the far south of New Zealand, are making $36 a day every day trapping and selling rabbits to refrigeration plants. Rabbiting had been a poorly paid job in the past but high prices are ruling at present because of the heavy demand for rabbit carcases for export to Britain. Prices for skins are also higher than they have ever been.

DEDICATION SEPTEMBER 2

Diffidence of the Governor General to make an appointment to dedicate Roosevelt Park during a forthcoming brief visit to Prince Rupert while passing through from ship to rail further complicates arrangements for the ceremonial notwithstanding, Dedication Day for the park was set for September 2 by a Public Relations Council committee at a brief meeting Monday afternoon.

Plans for the dedication of the proposed cairn which will be set at the entrance to the former Acropolis Hill park area were set back from the tentative date of August 21 after Governor General Viscount Alexander indicated his inability to take official part during his visit here on that date.

Mayor Daggett had requested on July 9 that the Governor General officiate at the ceremony along with General G. P. Hays of the American Army in dedicating a cairn to the memory of the late President Roosevelt at the entrance of Roosevelt Park, renamed in honor of the American wartime president last April.

Plans for the international ceremony had been held in abeyance pending result of the effort by Mayor Daggett to have Canada's new Governor General take part following his arrival on H.M.C.S. Crescent on August 21.

City council has authorized an expenditure of up to $500 for the erection of a cairn and a bronze plaque. Presence of American Major General G. P. Hays on any date decided in August or September has been assured by American Chief of Staff General Eisenhower.

Following is the text of a telegram from Major General Letson, aide-de-camp, to Mayor Daggett:

"Although His Excellency would wish to take part in the dedication ceremonies, his time of arrival at Prince Rupert is entirely dependent on the weather and the speed with which the voyage from Ocean Falls can be made. I, therefore, regret that His Excellency can make no commitment and I would appreciate your informing General Hays of the circumstances.

"It is hoped that His Excellency may be able to spend a longer time at Prince Rupert at some later date. If there is any change in present arrangements which would permit His Excellency taking part in the dedication ceremonies, I will advise you, but I suggest that you proceed on the premise that His Excellency will not be present."
