Terrace Organizes Third Branch Of B.C. Automobile Association

TERRACE—A third branch of the B.C. Automobile Association in the province and the second of a chain of branches which eventually may extend to major towns along the northern trans-provincial highway from Prince Rupert to Prince George was organized here last night.

The Terrace branch's initial membership of more than 20, signed up at last night's organizing meeting in the Orange Hall, is expected to rise shortly to more than 50, to include more than half the owners of pleasure cars in the district.

Organization of the club was carried out under the guidance of J. Harry Black, president of the Prince Rupert branch of the Automobile Association, and George Murray and Hugo Kraupner, club members, who motored to Terrace Thursday afternoon. They returned to Prince Rupert last night.

Officers and directors of the newly formed club, elected last night, are:

President, William Osborne jr.
Vice-President, Stuart F. Campbell.
Secretary-Treasurer, C. J. Norrington.
Directors—L. G. Skinner, Copper River, Harold Smith, and Gordon Temple.

Determined to take an active part in the promotion of good highways in the north-central part of the province, the club appointed president William Osborne, jr., to be delegate to the convention of the Associated Boards of Trade of Northern B.C. which meets in Terrace next week.

Membership dues were set at $15 for the first year, $3 of which goes toward the local club for operating expenses, and $12 to the provincial organization.

An outline of the objectives of the Automobile Association and its benefits to members was given by J. Harry Black and Hugo Kraupner, who emphasized the desirability of motorists in every part of the province working together as a body to achieve better highways and lower taxation of cars and gasoline.

Speaking of the Prince Rupert-Prince George Highway, Mr. Black lashed out at irresponsible criticism of the condition of the road, and added: "This road is tops in the province. The southern highways are much worse. We can be proud of our road, but it needs constant attention. I have been told authoratively that it will require the expenditure of $200,000 over a four-year period before it will be ready for black-topping. If we can get every community organized to fight for it, we can have it black-topped."

Mr. Kraupner pointed out the solid support Automobile Association members throughout the province would lend to its northern branches in their fight for road improvements.

The Prince Rupert delegation was thanked by the Terrace club for their organizational effort by C. J. Norrington.

RIFLE CLUB AT TERRACE

Pacific Coast Militia Rangers Carry on in New Sphere

TERRACE—At a well-attended meeting in the Oddfellows' Hall on Tuesday evening the Pacific Coast Militia Rangers were reorganized as a rifle club. The meeting was fairly well attended and the new organization is now formed. It will be known as Pacific Coast Militia Rangers Association and will be non-military.

Applications are open to British subjects or Canadian citizens. It is intended to form branches of small bore arms. A certain amount of practice ammunition will be provided and extra ammunition will be obtainable at reduced rates.

The following officers were elected:

President, M. Dubeau.
Vice-President, Fred Kirby.
Secretary, C. W. Michiel.
Treasurer, Fred Hall.

Terrace Airport Is Being Used

TERRACE—The Royal Canadian Air Force landing field, built during the war, is in use again by the air force, which at present has two aircraft and crews based here. The planes are two Anson bombers which are engaged in photographic work, mapping the district photographically from the air. A third plane, a Douglas bomber, was stationed here recently, but has since moved elsewhere.

PLAY-OFFS IN MEN'S FASTBALL

Games Arranged For Tonight—G.M. vs. Bo-Me-Hi, Co-op vs. Grotto

In the re-arranged schedule for the men's fastball General Motors meet Bo-Me-Hi tonight and then Co-op meets Grotto.

In their last match with the Grotto, Co-op won by 12-7 so the Grotto will be out for revenge tonight. The General Motors have a fine record but this is just the time when the young Bo-Me-Hi team may spring a surprise. These lads have talent and a fighting spirit and with a little luck—to which they are entitled — they may give the Motor Men a surprise.

GIRLS' FASTBALL IS DISAPPOINTING

Macey's Opponents Fail to Turn Up So Game Is Cancelled

Failure of Kinettes to field a team resulted in the cancellation of the game regularly scheduled in the Girls' Fastball League last evening.

Their opponents, Macey's, had a full team on hand but only two of the Kinettes turned up. These were Betty Payne and J. Hart. The girls picked out two six-player teams and had a lively practice with different players taking a turn at pitching. Miss Hart did some heavy hitting and spectacular fielding. The Hamilton sisters and Kennedy also showed to advantage while Betty Payne showed possibilities as a pitcher.

TELKWA WINNER OVER SMTHERS

Seniors Beat Juniors by Score of 4 to 2

SMITHERS — Telkwa Seniors visited Smithers on Tuesday for a game with the Smithers Juniors. While daylight saving time would have allowed the game to run to a full nine innings, the setting sun closed it at the end of the sixth with the Telkwa Seniors on the heavy end of a 4-2 score.
